

**LEGENDS**

-  Utility Pole
-  5' Sidewalk
-  6" type A Conc. Curb & Gutter
-  4' Grass Buffer
-  Remove shrubs and landscaping

**Notes:**

All Driveway aprons and lead walkways impacted by sidewalk installation will be reconstructed IN KIND at the County's expense within the public right of way. Shrubs and landscaping within the public right-of-way will be removed.

**Construction Note:**

Maintain safe pedestrian and vehicular access throughout construction. All disturbed areas will be restored to equal or better condition upon completion. Contractor must discuss with homeowners about taking down and putting up brickwork or fence.
