Good Afternoon Tiara,

Please be advised that PEPCO does not see an issue with the abandonment as requested. There is a pole located on Viers Mill Rd. that feeds the customers building from the front and the other pole located in the back that feeds the customers property at 2901 Kensington Blvd., which are all in locations that will not affect PEPCO's access to them. Also, I had verification that PEPCO doesn't have any facilities and or a need for any facilities at this customers property, except for what feeds the customer.

Should you have any questions, please feel free to contact me.

Thanks,

Subject: [EXTERNAL] Request for Comments - ROW Abandonment (AB 770 - Kensington Boulevard)
Importance: High

Good afternoon All,

I hope this email finds you well. We recently received a petition for the abandonment for a portion of Kensington Boulevard. Attached, please find the following information concerning the application received from Banc Realty, LLC:

1. Applicant's abandonment explanation
2. Recorded plats showing the abandonment area
3. Abandonment area map

Please review the attached and submit any comments you may have concerning the subject request to me no
