[EXTERNAL EMAIL]

Good Evening Tiara,

I am taking over for Stephen Lincoln as he has moved onto a new opportunity in our construction department. I have reviewed the ROW Abandonment petition and documents and determined that WGL does have facilities running through the proposed abandonment. I've attached a layout of our GIS system at this location, showing a 4" steel gas line running up Kensington Blvd to Veirs Mill Rd. Any ROW abandonment for this location would require WG to be granted an easement for the existing main, or relocated at the property owner's cost due to WGL's prior rights at the location.

Thank you,

COLIN P BURKE
