To: McCray, Tiara
Subject: Proposed Abandonment of Right of Way on Kensington Boulevard in Wheaton
Attachments: Kensington Blvd route.png

[EXTERNAL EMAIL]

Please require the applicant to

1. maintain access for pedestrians and bicyclists between Kensington Boulevard and Veirs Mill Road, and
2. make this access ADA-compliant.

This will provide a lower-stress, safer alternative route for pedestrians and bicyclists, making it possible to avoid some of University Boulevard and Veirs Mill Road (see the attached diagram).

I do not object to the applicant's desire to prevent cut-through MOTOR VEHICLE traffic.

Thank you,

Miriam Schoenbaum
