Good afternoon, everyone,

I hope this email finds you well.

You are receiving this email because you were solicited for comments regarding an abandonment petition the Department received from Banc Realty, LLC for a portion of Kensington Boulevard in Wheaton.

Please be advised the County has received a formal request to postpone the subject public hearing until further notice. Under the Montgomery County Code §49-62 (d-e), the County will provide the requisite notifications to the public agencies, impacted utility companies, and affected property owners once a new public hearing date has been determined. Those included in this email will receive an email inviting them to re-register to participate in the future event should they wish to participate.

You will not need to resubmit already submitted comments on behalf of your companies as long as the applicant's petition material remains the same. Once the new hearing date is determined, I will send a brief follow-up email confirming that the comments on file are still appropriate.

We apologize for any inconvenience this may have caused and appreciate your patience as we look to schedule a new hearing in the future.

Should you have any additional questions or concerns, I can be reached at the number listed below or by email at Tiara.McCray@montgomerycountymd.gov

Thank you,
