

PUBLIC HEARING FOR PROPOSED CONSTRUCTION

REPLACEMENT OF REDLAND ROAD BRIDGE OVER MILL CREEK / DERWOOD, MARYLAND

Pursuant to Section 49-53 of the Montgomery County Code (2004) as amended, a virtual public hearing shall be held on **WEDNESDAY, JUNE 7, 2023 at 6:30 p.m.** The hearing will be broadcasted over the internet via Zoom. Residents may pre-register to testify, and the link to join the virtual public hearing will be provided upon registration.

Please register to attend the hearing:

This project provides for the replacement of the existing bridge (M-0056) on Redland Road over Mill Creek. The existing single-span concrete slab bridge will be removed and replaced with a new prestressed concrete box beam superstructure and precast concrete abutments and wing walls. The new superstructure will be constructed in the same location using accelerated bridge construction techniques to minimize the disruption to the traveling public and local community. This project will also include approach roadway work at each end of the bridge as necessary to tie-in to the existing roadway, as well as stream restoration in both the upstream and downstream of Mill Creek.

The Public Hearing Record Binder and displays will be available for downloading prior to the hearing on the project website. Audio and video of the hearing will be recorded, and a link to which will be posted on the project webpage on the MCDOT website as linked above.

The sole purpose of a public hearing is to allow residents an opportunity to present oral and/or written testimony concerning the construction of the Replacement of Redland Road Bridge (No. M-0056) over Mill Creek. The information presented may influence final design plans. The hearing will begin at 6:30 p.m. and run continuously until all information is presented and the hearing has concluded.

WRITTEN TESTIMONY CARRIES THE SAME WEIGHT AS ORAL TESTIMONY. Written testimony for consideration and questions may be submitted to: **angel.cheng@montgomerycountymd.gov**. Please visit the above-linked project website to access digital copies of the project files.

Interpreter services will be provided upon request. Please allow (5) business days advance notice when requesting interpreter services.
