Potential Improvements Ranking

Comments & Concerns Highlights

- “Cars come out of Crossway Montessori way too fast...”
- “One of the children on the block was hit by a car speeding down street. Lowered speed limit and traffic calming essential...”
- “...Upton Drive currently has sidewalks, but the AEHS students still walk in the middle of the road to/from Einstein/Crossways to McDonalds...”
- “The stop sign [at Upton Dr. & East Ave.] is not effective, it's not aligned with the McDonalds exit, and it is largely ignored and hidden by a tree 3 of 4 seasons of the year...”

WHERE ARE YOU WALKING/BIKING TO?
