

## **Suggestions for Determining Your Community's Boundaries**

**Your community's boundaries for petitioning should include:**

1. Physical boundaries -

Streams

Railroad tracks

Parks

Major roads

Interstate highways

2. Political boundaries -

Commercial districts

Municipal limits

County borders

Other Home Owner Associations  
(although may be included with your community for  
petitioning)

Utility rights-of-way

3. Any other approved boundary
