Section 3. The Bonds shall be dated the date of their initial delivery and shall be issuable in registered form in the denomination of Five Thousand Dollars (\$5,000) each or any integral multiple thereof. The Bonds will initially be issued in book-entry only form without physical distribution of certificates to the public. The Depository Trust Company, New York, New York (“DTC”) will act as the securities depository for the Bonds and the Bonds will be registered in the name of Cede & Co. as nominee for DTC. The Bonds of each issue, when first issued, may be numbered from No. R-1 upward in the order of their maturities or in some other manner which conforms to standard bond registration practices and is acceptable to DTC and the Director of Finance of the County (the “Director of Finance”). Registration books (the “Bond Register”) for the Bonds shall be maintained by the County, which shall also act as paying agent for the Bonds (the “Bond Registrar and Paying Agent”). The Director of Finance may designate a bank or other financial institution to serve as Bond Registrar and Paying Agent at the time of the bond sale or, if later, upon 30 days’ prior written notice to the registered owners of the Bonds.

So long as Cede & Co. is the registered owner of the Bonds, as nominee of DTC, the County, as Paying Agent designated by the County, will send all payments of principal of and premium, if any, and interest on the Bonds, and notices to Cede & Co., and consider Cede & Co. as registered owner for all other purposes. Principal payments shall be made to Cede & Co. by check, draft or wire transfer at its address as it appears on the Bond Register, on the payment or redemption dates. Interest shall be paid to Cede & Co. by check, draft or wire transfer at its address as it appears on the Bond Register, such interest being payable semi-annually on May 1 and November 1 in each year (commencing May 1, 2019) accounting from the most recent date to which interest has been paid or, if no interest has been paid, from the date of initial delivery of such Bonds. The provisions provided in this section may be modified by a subsequent order or orders of the County Executive (or the Chief Administrative Officer, acting in the capacity of the County Executive).

The Bonds shall contain similar provisions to and be in substantially the form set forth in Exhibit A attached hereto, with such variations as the Director of Finance may deem are necessary or appropriate in compliance with this Order. So long as the Bonds are in book-entry form, the manual or facsimile signature of the Director of Finance shall be sufficient to authenticate the Bonds. Bonds issued substantially in accordance with such form, with appropriate insertions as indicated, when properly executed and authenticated as required by this Section, shall be deemed to constitute unconditional general obligations of the County, the payment of which, in accordance to the terms thereof, the County’s full faith and credit are pledged, and all the covenants and conditions contained in such Bonds shall be deemed to be binding on the County.

Section 4. The Bonds shall be executed in the name of the County and on its behalf by the County Executive, whose signature may be by facsimile, an original or facsimile of the official seal of the County shall be imprinted or otherwise reproduced thereon, attested by the manual or facsimile signature of the Director of Finance, and authenticated by the manual or facsimile signature of the Bond Registrar and Paying Agent.

such form of Notice of Sale is hereby adopted and approved as the terms, provisions and conditions under which and in the manner in which the Bonds shall be sold, issued and delivered.

The Director of Finance is hereby authorized to cause to be prepared an Official Statement, and any necessary supplements or addenda thereto. The Preliminary Official Statement and the Official Statement shall contain such financial and other data as are customarily found in such publications and as may be deemed appropriate by the Director of Finance. Section 9. Immediately after the sale of the Bonds, the aggregate principal amount of the Bonds to be issued, the interest rate or rates payable on the Bonds, the maturity schedule for the Bonds, the dated date of the Bonds, interest payment dates for the Bonds, and the redemption provisions relating to the Bonds, shall be fixed by an executive order of the County Executive (or the Chief Administrative Officer, acting in the capacity of the County Executive and in accordance with the terms of this Order), subject to the provisions hereof and in accordance with the terms and conditions of the sale of the Bonds.

Section 11. It is hereby determined that it is necessary and appropriate for the County to execute and deliver a Continuing Disclosure Agreement ("Continuing Disclosure Agreement") in accordance with the provisions of Rule 15c2-12 of the Securities and Exchange Act of 1934 ("Rule 15c2-12"), for the benefit of the registered owners from time to time of the Bonds, in order to enable the successful bidder for the Bonds (including any of such bidder's associates constituting "principal underwriters" within the meaning of Rule 15c2-12) to comply with the requirements of Rule 15c2-12. The Director of Finance shall execute and deliver the Continuing Disclosure Agreement substantially in the form attached as Appendix B to the Preliminary Official Statement, with such changes therein as bond counsel to the County may advise.

There may also be deducted from the gross proceeds of the sale of the Bonds any other incidental expenses relating thereto and the reimbursement of the general tax receipts of the County for any monies previously expended

Without limiting the generality of the covenant set forth in the preceding sentence, (a) the County will not use or permit the use of any of the proceeds of the Bonds or any of the funds of the County in such manner as would cause the interest on the Bonds to be included in gross income for Federal income tax purposes, (b) the County will regulate the investment of the proceeds of the Bonds so as not to cause any of the Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Code and the Income Tax Regulations thereunder, (c) the County will, if and to the extent necessary make periodic determinations of the rebate amount and timely pay any rebate amount, or installment thereof, to the United States of America, (d) the County will prepare and timely file Internal Revenue Service Form 8038-G, Information Return for Tax-Exempt Governmental Obligations, and (e) the Director of Finance is hereby authorized and directed to prepare or cause to be prepared and to execute and certificate or other document which may be required in order to assure compliance with the applicable provisions of Section 103 and Sections 141 through 150, inclusive, of the Code, and the Income Tax Regulations thereunder.

Section 14. In the event that the proceeds from the sale of the Bonds exceeds the amount needed to refinance all or a portion of the County's outstanding Notes, the excess funds shall be either (i) applied to the payment of debt service on the Bonds or (ii) applied to the payment of costs of issuance of the Bonds.

Section 15. The County Executive or Chief Administrative Officer shall by subsequent order, award the Bonds to the winning bidder for the Bonds in accordance with the Notices of Sale and this Order, and take such other action as deemed necessary in connection with the issuance and sale of the Bonds.

Section 16. The Chief Administrative Officer and Director of Finance, and such other officers, employees, and agents of the County are hereby authorized and directed to take such actions, and to provide such certifications of facts and estimates regarding the amount and use of the proceeds of the Bonds, as may be necessary or appropriate from time to time to comply with, or to evidence the County's compliance with the covenants set forth in this Order.

Section 17. This Order shall take effect immediately.

at the option of the County, at a redemption price for each Bond equal to the principal amount of the Bond to be redeemed, together with interest accrued to the date fixed for redemption, without premium.

If the County elects to redeem all or a portion of the Bonds outstanding, it shall give a redemption notice at least twenty (20) days prior to the date of redemption by letter mailed first class, postage prepaid, to the registered owners of the Bonds to be redeemed at their last addresses appearing on the registration books maintained by the Bond Registrar/Paying Agent; provided, however, that so long as DTC or its nominee is the sole registered owner of the Bonds, any redemption notice will be given only to DTC. The failure to mail such notice with respect to a particular bond or any defect in such notice, or in the mailing thereof, shall not affect the sufficiency of proceedings for the redemption of any other bond. The redemption of the Bonds is conditioned upon the deposit of sufficient money for the payment of the redemption price and accrued interest on the Bonds to be redeemed on the date designated for such redemption.

If less than all of the Bonds of any one maturity are called for redemption, the particular bonds, or portions of such bonds, to be redeemed from such maturity shall be selected by the Bond Registrar/Paying Agent, or his successor as bond registrar and paying agent, by lot or other random means in such manner as the Bond Registrar/Paying Agent in its sole discretion may determine, except that so long as the Bonds are held in Book-Entry Form and the Depository Trust Company, New York, New York ("DTC") or its nominee is the sole registered owner of the Bonds, the particular bonds or the portion to be redeemed shall be selected by DTC, in such manner as DTC shall determine. Each \$5,000 portion of a bond shall be treated as a separate bond in the selection of Bonds to be redeemed.

In the event that part, but not all of any Bond is called for redemption, DTC, in its discretion, may (i) request the Bond Registrar/Paying Agent to authenticate and deliver a new Bond or surrender such Bond to the Bond Registrar/Paying Agent, or (ii) shall make appropriate notation on the Bond indicating the principal amount of such redemption and the date thereof on the Payment Grid attached hereto. The principal amount of this Bond outstanding at any time shall be equal to the lesser of the principal sum shown on the face hereof and such principal sum reduced by the principal amount of any partial redemption of this Bond. Failure of the holder of this Bond to note the principal amount of any partial redemption on the Payment Grid attached hereto, or any inaccuracy therein, shall not affect the payment obligation of the County hereunder. **THEREFORE, IT CANNOT BE DETERMINED FROM THE FACE OF THIS BOND WHETHER A PORTION OF THE PRINCIPAL OF THIS BOND HAS BEEN PAID.**

This Bond is transferable only upon the Bond Register by the registered owner hereof in person or by the registered owner's attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer in the form of the Assignment shown hereon or such other form as shall be satisfactory to the Bond Registrar/Paying Agent, duly executed by the registered owner or the registered owner's duly authorized attorney. Within a reasonable time after such surrender, the County shall issue in the name of the transferee or transferees a new bond or bonds of any authorized denomination, in an aggregate principal amount equal to the principal amount of this Bond, and maturing on the same date and bearing interest at the same rate as this Bond. The new bond or bonds shall be delivered to the transferee or transferees only after payment of any required tax or other governmental charge relating to such transfer and only after due authentication thereof by an authorized officer of the Bond Register.
