Background: Montgomery County Code 1A-104(b)(2) requires that certain positions in the Executive Branch designated by law as non-merit must be supported by a position description established by executive regulations under method (1).

DEPUTY DIRECTOR, DEPARTMENT OF GENERAL SERVICES

DEFINITION OF CLASS:

This is an appointed, non-merit position in the County Government. This is a senior level management position serving as the deputy director for the Department of General Services (DGS). This position reports to the Director of DGS and has full authority and accountability in the absence of the Director. This position focuses on an approach to Countywide planning and real estate development and assists the Executive branch in working with the County Council and Planning Board on significant land use policy and implementation issues. The incumbent

spends a significant amount of time in public forums promoting and supporting the County's vision for a more cohesive, environmentally responsible, and cost-effective use of all facilities.

MAJOR DUTIES:

An employee in this class plans, develops, coordinates and evaluates land use and growth policies, redevelopment programs, and the use of public real estate assets. The employee directs managers in: review of planning and land use policies, capital planning and design, and maximizing the value of public real estate assets. This position has direct oversight and management of Capital Improvement Project (CIP) related design and construction and is tasked with leading the strategic direction related to sustainability in the County.

The work is performed within the context of broadly defined missions and functions and general administrative direction with little technical guidance. The employee exercises full accountability for all matters associated with completing work assignments, including determining the work to be performed and the methods used. Results of the work are considered technically authoritative and evaluated in terms of the Department's role in meeting its goals and objectives. Guidelines consist of broad policy directives and basic legislation and require the employee to use considerable judgment in interpreting the intent of the guidelines and in generating specific policies and guidance for use by managers in developing various components of the County's land use and growth policies, redevelopment and planning implementation, and use and development of county real estate assets. The complexity of the work is characterized by the need for planning, directing, and integrating a broad range of general functions, programs, and services for a wide range of diverse internal and external service recipients. The work requires consideration of public works, environmental, land use, community issues and impacts, and developing solutions which accommodate conflicting objectives from a variety of organizations, officials, groups, and individuals. These areas require substantial analysis of the legal implications for actions taken. This work directly impacts the business community and public and requires significant interaction with the public. The work is sedentary, performed in an office setting and subject to common everyday risks.

EXAMPLES OF Duties: (Illustrative Only)

- Provide substantial input and influence on policy to department directors, County Council, the County Executive, and the public.
- Represent higher management and/or the organizational unit(s) managed in presenting, justifying, defending, gaining compliance, obtaining or committing resources, and resolving issues of considerable consequence to the organizational unit(s).
- Develop and implement organizational strategies that integrate the County Executive's Vision Statement, and the County and State's plans for facilities and services throughout Montgomery County.
