1. Pursuant to Section 49-54 of the Montgomery County Code (2004) as amended, the County Executive hereby finds that public interest requires construction of multiple sidewalks to provide safe pedestrian travel throughout the McKenney Hills-Carroll Knolls Community, located in Silver Spring, Maryland within Election District 13. The Director of the Department of Transportation (DOT) is hereby authorized to proceed with construction of multiple concrete sidewalks under Capital Improvement Project No. 0506747 (Annual Sidewalk Program).

A Public Hearing was conducted for the McKenney Hills-Carroll Knolls sidewalk projects at 9:00 a.m. on May 16, 2012, in the First Floor Auditorium of the Council Office Building (COB) located at 100 Maryland Avenue, in Rockville, Maryland. The Hearing Examiner recommended approval for all the sidewalks, as proposed by DOT. The newly installed concrete sidewalks will conform to ADA requirements and will be five feet wide with variable width greenspaces located between the sidewalk and the existing curb. The total length of sidewalks installed throughout the community is 11,590 linear feet. Every effort will be made to cause minimal disturbance within the public right-of-way and to the adjacent properties. The County Executive hereby proposes that the total cost of the project, to be determined by a final accounting after construction has been completed, and shall be distributed in the approximate amounts as follows:
