

EMIHS 5-minute Lineup Drill

ALS to BLS downgrade PROCESS

FCGO 20-07

- **Process is primary.** Documentation is secondary.
- The process promotes **good medicine** and **good decision making** based on **good information**
- **Everyone** is responsible for following FCGO 20-07 and ensuring the process has been followed, including:
 - ALS clinicians downgrading a patient;
 - BLS clinicians receiving the patient; and,
 - Officers supervising scenes where a downgrade occurs
