EMIHS 5-minute Lineup Drill

FINDING MIH PATIENT NOTES IN EMEDS

Did you know . . .
MIH may put relevant patient notes into a patient's profile in eMeds to help you with patient care or decisions

Step 1: Do a repeat patient search and download the patient's historical data.
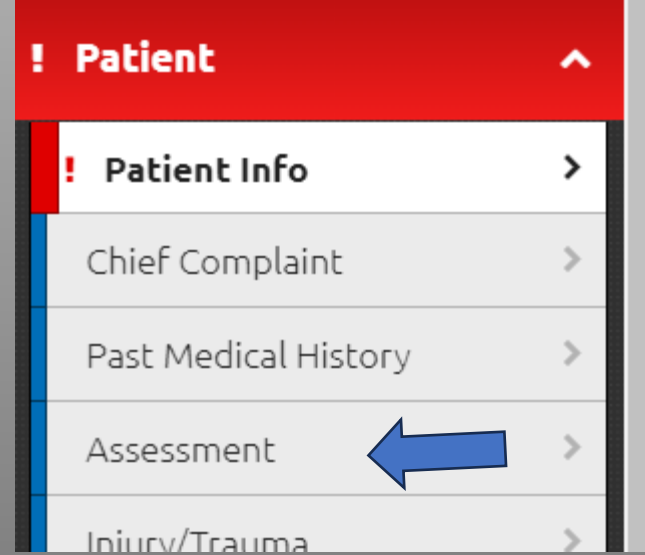

Repeat Patient Search

First Name	Last Name	DOB (Must complete all three fields)	Gender
Earl E.	Byrd	MM / DD / YYYY	

SSN (Exact) | SSN (Last 4) | Address | Apt # | Postal code | City

State

1 - 2 of 2

Order By: First Name | Ascending   Remove Patient From Incident

First Name	Last Name	Date of Birth	SSN	Gender	Patient Address	Last Picked Up Date	Program
Someone	Else	Nothing Entered	999999999	Male	321 Any Street	03/22/2024 12:41:18	Nothing Entered
Earl. E	Byrd	01/01/1990	8675309	Male	100 Edison Park Drive	03/21/2024 11:02:30	

Program
