

EMIHS 5-minute Lineup Drill

Shady Grove is more than *SAFE*

If your patient being transported for ANY of the following:

- Sexual abuse/assault
- Domestic violence
- Strangulation
- Child abuse
- Elder/vulnerable adult abuse
- Human Trafficking

AND

Your patient **does not** require referral to a specialty center

Transport directly to **Shady Grove**, regardless of:

- Incident location
- Hospital diversion status

The Why

Better clinical experience through team-based care:

- Specialized emergent and on-going care
- Specialized patient resources
- Evidence collection

The transport of these patients is governed by [Maryland Medical Protocol](#) and [FCGO 25-01](#)
