1

Start your report, complete any necessary imports (CAD, LIFEPAK, Handtevy) and collect necessary signatures *PRIOR TO COMPLETING THIS TRANSFER PROCESS*

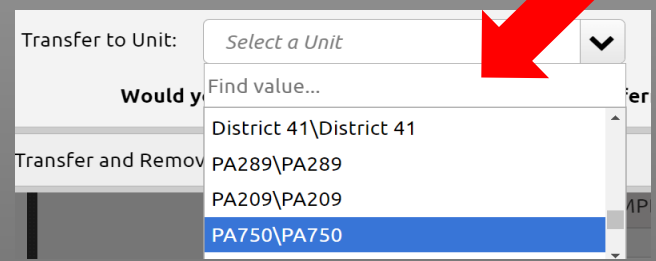

3

Choose the proper agency here: *PG, Frederick, MSP, NDW, etc.*

4

Choose the proper unit here:  
*Hint: ask them how their unit appears in eMeds*

5

*Choose whether or not to keep a copy of the report to complete, or to transfer the entire thing to the other unit. In most cases, the correct answer is to retain a copy of your care for our records, selecting operational support as the disposition.*

6

The unit receiving the report simply goes to "Download Transfer" in step 2 and selects the correct report.
