			Total: 50

Injuries:

Total:	80
Most Common Type:	Sprain/Strain (total: 34)

GREAT JOB Dayworkers!!

***There is a recent uptick in *backing* collisions. Be sure to use a backer and ensure that you can SEE the backer.

*** Interested in improving your fitness outside of work? Click [HERE](#) to fill out a form for a FREE annual pass to the Montgomery County Recreation Centers. This is a benefit as a County Employee. There are pools, gyms, fitness classes, etc. Check it out!

Recently Identified Hazards/Other Notes:

-We have had four hose bed dumps in the past two months. If you would rather not re-pack 1,000' of 4" from an accidental layout, [CLICK HERE](#) for a Safety Notice with the fix. Stay tuned – more to come.

-Holy Cross hospital has a few issues with parking spots for ambulances that have been identified. [CLICK HERE](#) for a Safety Notice written by Capt. Neal.

-Time for Quarterly Gear inspections! [CLICK HERE](#) for the Gear Inspection Form.

Did you know?:

-MCFRS has a new mold process for suspected mold in a firehouse. [CLICK HERE](#) for that process.

AC Jones **Capt. Weimer** **Capt. Neal** **Capt. Henry** **Capt. Stahley**

If you have something you would like to contribute for next quarter, [CLICK HERE](#) or reach out to one of the Safety Officers.
