SUBJECT: LFRD-Owned Apparatus Inventories

Each Local Fire & Rescue Department (LFRD) is responsible for accurately maintaining and inventorying equipment that is assigned to apparatus owned by their department.

To assist in that inventory process, no tools, hose, equipment or appliances shall be removed or altered from LFRD-owned apparatus by MCFRS Fleet personnel, MCFRS personnel, or vendors without approval from the affected LFRD.

Any questions should be directed to the Fleet Section Chief.
