

Montgomery County Fire and Rescue Service

FIRE CHIEF'S GENERAL ORDER

Rescinded 8/16/07 **NUMBER: 05-12**

Date August 29, 2005

TO: All MCFRS Personnel
FROM: Fire Chief Thomas W. Carr, Jr.
SUBJECT: Fill the Boot Campaign

In-service fire and rescue apparatus may participate in this year's "Fill the Boot Campaign" by meeting the criteria below.

- Senior Career Officers will consult with their assigned LFRD and notify the LFRD of this Campaign, and our intention to support it. If a scheduling conflict or other issues arise that will impede the ability of personnel to support this function, the SCO will relay this information through the Chain of Command for resolution.
- Local 1664 will provide the Senior Career Officers with information about the locations and times this event will occur. This information will be relayed to the LFRD leadership.
- In-service apparatus staffed by on-duty personnel, in uniform, may be driven to the assigned intersections.
- On-duty personnel may not actually solicit for donations, but may provide support service for others.
- Apparatus must be positioned in a safe manner to avoid impeding traffic.
- The on-duty Duty Operations Chief may adjust normally scheduled activities for September 1st and 2nd if those activities interfere with this Campaign.
- This Order supersedes Directive 04-17, and will expire automatically on September 3, 2005.
