

DEPARTMENT OF FIRE AND RESCUE SERVICES
MONTGOMERY COUNTY, MD.

DIRECTIVE

NUMBER: 96-26

DATE: June 28, 1996

TO: All DFRS Employees

FROM: Chief Jon C. Grover, Director

SUBJECT: DFRS Imprint Logo

Jon C. Grover

Beginning in July 1996, the Property Section will imprint the backside of tee shirts (navy blue) and sweat shirts using a new imprint logo, rather than the "DFRS" imprint logo which has been used for the past several months. A copy of this new imprint logo is attached. Sweat pants will continue to bear the "DFRS" imprint logo down outer aspect of the left leg. Thus, personnel are authorized to wear these garments as imprinted and issued by the Property Section.

The transition to the new imprint logo will be done gradually, as per the inventory requirements of the Property Section. Apparel bearing the former "MCFR" and "DFRS" imprint logos is still authorized. All personnel are directed not to requisition replacement items for the sole purpose of acquiring apparel bearing the new imprint logo. All time requirements for the replacement of such apparel remain in effect.
