

# Montgomery County Fire and Rescue Service FIRE CHIEF'S GENERAL ORDER

**FCGO: 18-01**

**April 17, 2018**

**Page 1 of 1**

**TO: All MCFRS Personnel**

**FROM: Fire Chief Scott E. Goldstein**

**SUBJECT: Maryland Medical Protocols Annual Update**

Every year, the Maryland Institute for Emergency Medical Services Systems (MIEMSS) issues updates to the *Maryland Medical Protocols for Emergency Medical Services Providers*. All MCFRS medical providers are required to complete the corresponding MIEMSS Medical Protocol Update training by implementation date of the new protocols (typically July 1<sup>st</sup>) in order to maintain their MCFRS provider credentials. This training can be completed online by going to the MIEMSS training site (linked from the main MIEMSS website at [www.MIEMSS.org](http://www.MIEMSS.org)) and following the directions found there.

All MCFRS providers must provide proof of completion of the update training to their supervisor by the implementation date of the new protocols. Failure to complete this training as required may result in disciplinary action.

For further questions or clarification, contact the EMS Section Chief.
