DATE: April 10, 2000

TO: All DFRS Personnel

FROM: Chief Roger W. Strock

A handwritten signature in black ink, appearing to read "Roger W. Strock".

SUBJECT: Modification to Policy and Procedure # 507 "Discrimination"

To ensure that DFRS personnel assigned as EEO coordinators are not placed in a position of working with other personnel that are currently under investigation by an EEO coordinator, I am modifying DFRS Policy and Procedure #507, "Discrimination" as follows.

ADD:

- 4.8 DFRS will not detail or assign a current EEO coordinator to the same shift and location where a DFRS employee who is under investigation is currently assigned.
- 5.6 Those DFRS employees assigned as an EEO coordinator must advise the respective bureau scheduler if a detail or assignment would place them working on the same shift and location as someone that is currently under investigation.

All station commanders and DFRS policy manual holders are to place a copy of this Directive with policy # 507.
