

MONTGOMERY COUNTY FIRE AND RESCUE SERVICE  
MONTGOMERY COUNTY, MD.

## DIRECTIVE

**NUMBER:** 03-10

**DATE:** July 30, 2003

**TO:** All MCFRS Personnel

**FROM:** Thomas W. Carr, Chief 

**SUBJECT:** Minitor IV Pagers

The Public Safety Communications Center will soon be issuing new Minitor IV tone alert pagers. As previously described, the pagers will be distributed on a one for one exchange basis up to the total number allotted to each LFRD or MCFRS entity based on the attached list. ***Pagers will only be issued to those LFRD's and Entities who submitted current year 2003 inventories to the MCFRS communications officer in accordance with Executive Regulation 9-90, dated July 12, 1990.***

Each MCFRS fire and rescue station will be issued one (1) pager for use as a station pager. **The assigned station pager is to be carried by the senior in station officer at all times.**

All Minitor IV pagers will be programmed with the appropriate tones for the LFRD / District response area assigned. Each Minitor IV pager will also be programmed with the new Threat Level Red activation tone. This tone will be activated by the ECC when the National Threat Level is raised to Red, and will be followed by pertinent instructions for all personnel.

Any questions can be directed to the pager distribution team at:
