SUBJECT: Arrest Notifications to Outside Agencies

As soon as it is established that an arrested/charged person is employed by a federal, State, or local governmental agency, the arresting/processing Fire and Explosive Investigations Section (FEI) Investigator will notify the FEI On-Duty Supervisor, who will then notify that governmental agency. The Supervisor will make this notification **only** if the individual is charged with a criminal or traffic offense that may result in incarceration. If the agency requests, the on-duty Supervisor may provide additional facts regarding the arrest and charge.
