

5 to 11-YEAR-OLDS CAN NOW GET VACCINATED FOR COVID-19

There are four ways to do it:

- ▶ Contact your pediatrician or primary care provider
- ▶ Contact your local retail pharmacy
- ▶ Visit govaxmoco.com for appointments at Montgomery County Department of Health and Human Services sites
- ▶ MCPS is also providing vaccinations at some sites. For more info, visit montgomeryschoolsmd.org/coronavirus
