The following lists stakeholders, volunteers, and energy service companies who received an in-depth orientation to the Benchmarking Law and have been trained by EPA ENERGY STAR on how to properly benchmark in Portfolio Manager to comply with the Benchmarking Law. Please reach out to these Ambassadors as a resource. Several also offer benchmarking and/or verification services to help you comply with the Benchmarking Law. Many of these Ambassadors are also part of the ENERGY STAR Partners program or Service and Product Provider Network, and fluent in other languages as noted below.
