Minutes

The March meeting of the Forest Conservation Advisory Committee, scheduled for March 20, 2018, was cancelled due to inclement weather.

The Committee met as scheduled on April 17, 2018.

The Committee continues to seek a new Chair and Vice Chair! Feel free to speak with Laura for more details.

David Myers reviewed the results of the exercise completed in January. It identified strengths, challenges, and opportunities of the committee. From this, the committee developed a tentative schedule for the year including hearing detailed descriptions of typical work task from committee members, outside speakers, a field trip, and several meetings devoted to developing letters of support or concerns for issues. David offered to distribute this outline of agendas to the committee.

The next meeting is tentatively scheduled for May 15, 2018, from 7:00 to 8:30 pm. It will be held in the small conference room at the DEP offices.
