

LAC Meeting 10/03/18 (Maggie Nightingale)

Present: Steve Warrick, Brandon Rippeon, Tom Nightingale, Andrea Murphy, Barbara Ebbert, Ralph Hitchens and Tracey Slotta

Steve talked about the staffing situation. There will be a library supervisor present three days a week. She is not a librarian but will do administrative tasks like scheduling and timekeeping. The search continues for a head librarian.

There will be a survey in the Monocle about what hours the community would like the library to be open. Children and seniors come in the daytime. The library is not real busy in the evening.

The book sale netted \$725. We now have \$2200 dollars approximately.

Brandon said we need a new chairperson. That will be Andrea Murphy. Barb will continue on as secretary.

We plan on meeting in January to plan new ideas and programs for the library.

Steve described the issues with the building. The roof is leaky and mold is in the ceiling. Water is getting in around the back doors and the door frames are rusting through. Steve has called in work orders for this.

We discussed entering the WUMCO scarecrow contest but it's too late this year. Perhaps we can do it next year.
