DIRECTOR’S REPORT:

- **Staff Development and Training Day**
  - Staff Development and Training Day 2016 was held on October 10. The theme was “We Are Our Customers.”
  - During this year’s Staff Development and Training Day, we worked to implement one of our new strategic goals, DELIGHTED MONTGOMERY. Staff participated in developing strategies that provide an excellent customer service experience that welcome our customers to our branches, respond appropriately to their needs and provide an exceptional customer experience.
  - Feedback from the pre-assignment (staff were asked to visit a branch other than their assigned work location and provide their honest opinion about their experience) was presented.
  - Results: Feedback from staff pre-assignment mirrored what is often heard from our customers.
  - Expected impact: Identify training needed to achieve the goal of delighting our customers.

- **Aspen Hill** - will have its first meeting next week since the summer hiatus. Unsure how they will handle meetings during the refresh.
- **Chevy Chase** – the LAC chair will be leaving in December. It has been membership challenged in its numbers.
- **Silver Spring** – the size and diversity of the LAC are great. They are very enthusiastic. They have a good model.

- **Kensington Park** – inactive for almost a year because of the refresh.
- **Bethesda** – the chair of the LAC resigned from the position due to an agenda issue during an LAC meeting. It is very important to use the agenda template. Administration will continue to work with the branch managers, and the Board liaisons will continue to work with the LAC chairs.
- **MCPS** – Library Link has started up for the fall with the remaining elementary schools. There is a new MCPS superintendent – Dr. Jack Smith. MCPS just opened its 204th school. There is a literacy push. Chrome books adopted and Google apps for education. Student population keeps increasing in number and diversity. Many English as second language speakers.
- **Twinbrook** – great group. Met last month. Pretty low key since the refresh. Concern regarding their purpose. How to keep everyone invested. How their work ties into the big picture.
- **Rockville Memorial** - voted in June to disband the LAC which is made up of FOL members. Branch manager has begun to recruit within the community.

OLD BUSINESS:

- Board Manual – updated by Amishi Sabnis and Kathleen Reedy in March. It is being updated again and will be sent out to Board members for comment. It will be ready to share at the December meeting.
- Chair Reedy will ask Amishi Sabnis to attend the Twinbrook LAC meetings.

NEW BUSINESS:

- Board Vacancies
  - Antoinette Negro will be confirmed by the Council on October 18, 2016.
o The question is asked during the interview process if the candidate is able to serve a 3-year term if appointed. Somewhere within the three years, things happen that change the person’s ability to attend meetings.

o Consider LAC members to serve on the Board. Some former and current Board members were LAC members.

o There are a number of branches without liaisons. This will be addressed when Ms. Negro comes aboard.

o The minutes from the Board meetings cannot be made available any earlier because they have to be approved by the Board first.

o Director Hamilton will take the lead in scheduling a meeting with Dr. Jack Smith, Superintendent of MCPS.

- Annual Joint Meeting – November 2, 2016
  o Representatives from the Library Board (Brandon Rippeon, Kathleen Reedy, and Debbie Brooks) and the FOLMC Board will meet next Wednesday at 3:30 PM to discuss the Joint Meeting and establish the agenda.

  o There will be no other Board meeting in November.

PUBLIC COMMENT:

Febe Huezo: Outreach Team staff who is assigned to Long Branch and White Oak areas. Long Branch area is a melting pot. A therapist from the YMCA has been providing counseling for residents affected by the apartment complex explosion. The therapist indicated that there is a need for additional therapy for the children. IMPACT Silver Spring is working with the families. Groups have been using the meeting rooms at Long Branch Library to hold support meetings.

Kudos to the staff for all they are doing to assist with the Long Branch community members.

ADOURNMENT:

The meeting was adjourned at 8:33 p.m.
