ESG & IMPACT INVESTING
BLUEPRINT

• Determine ESG Process
  – Who will be involved with setting goals and evaluating opportunities?
  – Will this vary from existing process?

• Establish common goals and language
  – Areas of focus
  – Financial return expectations
  – Impact expectations

• Identify success metrics

• Source and vet opportunities

• Evaluate investments
  – Investment goals
  – Investment execution
  – Impact goals

• Observe, learn and adapt

As of 1/1/2020
NEPC INTEGRATION OF ESG

Environmental
- Headquarters in the Boston Office is LEED Gold certified, along with our Portland, OR and Chicago, IL offices
- Eliminated plastic single use cups; provided all employees with mugs and water bottles; and use iPads instead of paper at all due diligence committee meetings
- Partnered with Terrapass for client conferences to purchase carbon offsets for client travel
- Provides flexing (working from home) capabilities, eliminating commutes and reducing firm’s carbon footprint

Social
- Launched targeted diversity recruiting across firm
- Has matching policies for certain charities
- Long-term partnership with “Year-Up”
- Partnered with Gateway to Leadership, program affiliated with United Negro College Fund (2014-2016)

Governance
- Created a Diversity & Inclusion Board, Women’s Leadership Forum, Diversity Equity and Inclusion Network and Cultural Enrichment Group
- Created qualitative and quantitative key performance indicators to measure success
- Created a diverse manager policy

As of 1/1/2020
"I think diversification works and we are working to increase the diversity of our employee base. This diversification of thought and approach helps us be a better firm and helps us come up with better solutions for our clients."

-Michael P. Manning, Managing Partner
