

## **MCFRS EMT Training – Internship Rotation – ALS Equipment**

### **Background:**

As part of your internship rotation packet, you will be asked to complete an ALS Equipment orientation. This will be coordinated through your FTC and completed by a MCFRS ALS provider during your internship.

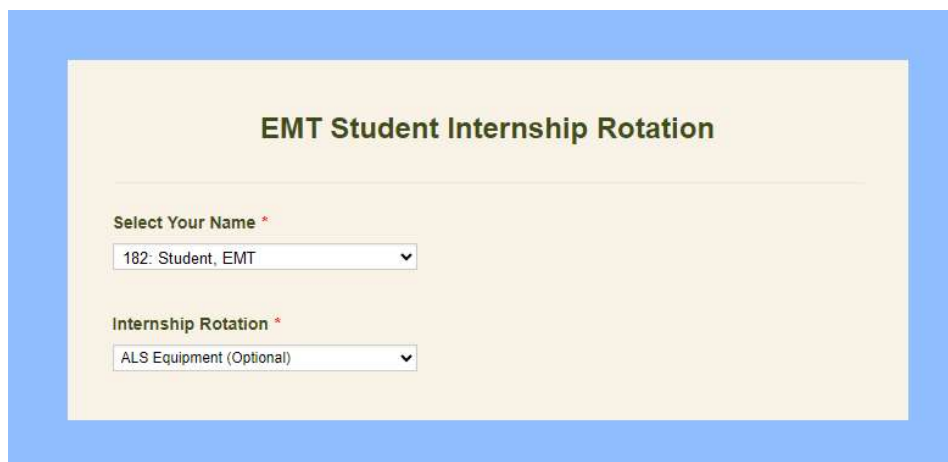

### **Process:**

- You can submit the form on your phone, or any internet browser, and it must be signed by your FTC (Field Training Coordinator) or approved designee.
- Go to [EMT Student Internship Rotation \(https://mcfrcs.jotform.com/232055813424955\)](https://mcfrcs.jotform.com/232055813424955). This link can also be found on **EMT Class Resource Page**
- From the first drop down option, select your class number and name (*XXX: last name, first name*) to proceed. **If you cannot find your name, reach out to your lead instructor.**

The screenshot shows the 'EMT Student Internship Rotation' form. The title is centered at the top. Below the title is a horizontal line. The first field is 'Select Your Name \*' with a dropdown menu showing '182: Student, EMT'. The second field is 'Internship Rotation \*' with an empty dropdown menu. A 'Submit' button is located at the bottom center of the form.

- Next Select the appropriate Internship Rotation, in this case it will be ALS Equipment (Optional).

The screenshot shows the 'EMT Student Internship Rotation' form. The title is centered at the top. Below the title is a horizontal line. The first field is 'Select Your Name \*' with a dropdown menu showing '182: Student, EMT'. The second field is 'Internship Rotation \*' with a dropdown menu showing 'ALS Equipment (Optional)'. A 'Submit' button is located at the bottom center of the form.

- This action will open the rest of the JotForm to be filled. Your next drop down will be ALS Equipment Orientation. In this section your FTC will fill out your performance. If marked as "Needs Remedial" you

## **MCFRS EMT Training – Internship Rotation – ALS Equipment**

must review material, study and complete another Ambulance/BLS Check Out. Once the remedial is completed mark "Satisfactory Remedial"

OPTIONAL TRAINING: The MCFRS EMT Student may work with a MCFRS Paramedic or EMT FTC to learn how to assist the ALS provider with the ALS specific equipment. This orientation does not allow the EMT Student to perform any ALS care as defined in the Maryland Medical Protocols.

**ALS Equipment Orientation \***

Satisfactory ▼

- Next, have your FTC enter their name and date the orientation.

**FTC (ALS Provider) \***

Paramedic Trainer  
First Name Last Name

**Date of Orientation \***

10-16-2023 📅  
Date

- Follow up with the length of training rounded to closest 0.25 hour and enter the ALS Unit number.

**Length of Training (round to closest .25 hour) \***

0.75  
(i.e. 40 minutes = 0.75 hours)

**Unit # for Orientation (i.e. ALS742) \***

ALS703

- Finally have the ALS FTC sign the completed JotForm.

**Signature by FTC \***
