

MCFRS EMT Training – Internship Rotation – Ambulance/BLS Checkout

Background:

As part of your internship rotation packet, you must complete a full Ambulance and BLS check out. This includes a basic DOT vehicle check with the driver and a complete inventory of all equipment and system functions.

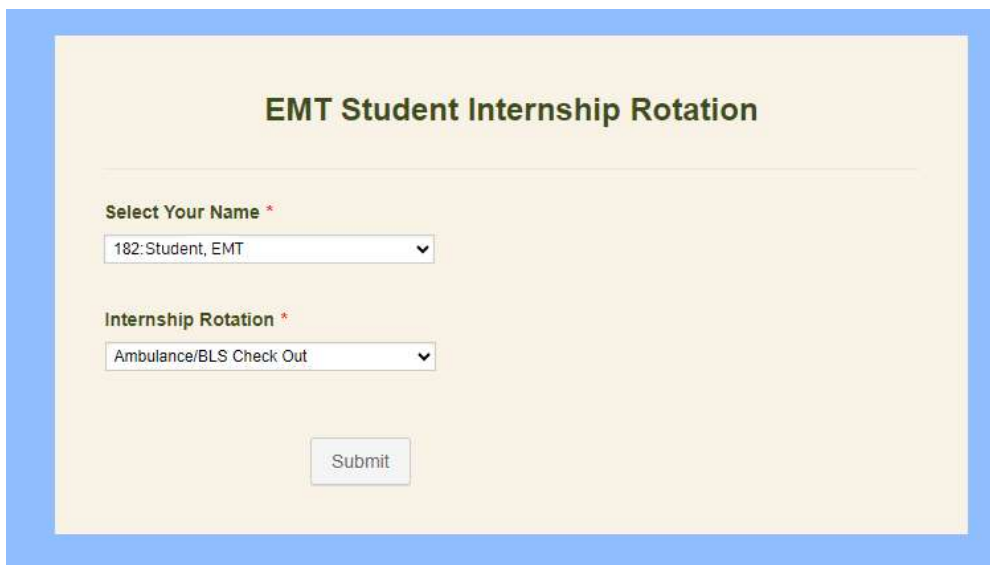

Process:

- You can submit the form on your phone, or any internet browser, and it must be signed by your FTC (Field Training Coordinator) or approved designee.
- Go to [EMT Student Internship Rotation \(https://mcfrcs.jotform.com/232055813424955\)](https://mcfrcs.jotform.com/232055813424955). This link can also be found on **EMT Class Resource Page**
- From the first drop down option, select your class number and name (*XXX: last name, first name*) to proceed. **If you cannot find your name, reach out to your lead instructor.**

The screenshot shows the 'EMT Student Internship Rotation' form. The title is centered at the top. Below it is a dropdown menu labeled 'Select Your Name *' with the selected option '182: Student, EMT'. Below that is another dropdown menu labeled 'Internship Rotation *' which is currently empty. A 'Submit' button is located at the bottom center of the form.

- Next Select the appropriate Internship Rotation, in this case it will be Ambulance/BLS Check Out.

- This action will open the rest of the JotForm to be filled. Your next drop down will be Ambulance/BLS Check Out. In this section your FTC will fill out your performance. If marked as "Needs Remedial" you must review material, study and complete another Ambulance/BLS Check Out. Once the remedial is completed mark "Satisfactory Remedial"
- In the List Activities Section, you will document the inventory and systems covered. Examples are listed below.

The MCFRS EMT Student, while working directly with a FTC, performs a complete inventory of an EMS unit, both inside and outside compartments as well as all patient side equipment. The EMT Student will work with the FTC and/or EMS Unit driver to learn the mechanical check out of the unit as well.

Ambulance/BLS Check Out *

Satisfactory ▼

List Activities *

Participated in DOT apparatus check with driver.
Assisted with re-fueling Ambulance.
Completed full inventory and systems checked.
Demonstrated knowledge of inventory and equipment location.

- Finally, have your FTC enter their name, the current date and sign the jot form.
