SUBJECT: Timekeeping Guidance: Pay Period August 28, 2022, Until Further Notice

This guidance is being provided to all Directors, ASCs or equivalent, and all HR Liaisons and Mctime Liaisons to address timekeeping for the pay period referenced below.

Departmental Mctime SMEs should assist employees in applying timekeeping information by highlighting information that is most relevant to the department and providing the first level of troubleshooting for any questions.

This memo will serve as timekeeping guidance for the pay period beginning **August 28, 2022**, and until operational changes would impact timekeeping requiring a new memo. Clarifying edits since the **July 3, 2022**, pay period timekeeping guidance are highlighted in yellow.

Status	Beginning	Ending
OPEN	Sunday, August 28, 2022	To Be Determined

Event-related timekeeping guidance for essential and non-essential employees can be found online at <https://www.montgomerycountymd.gov/mctime/resources.html#Events>

COVID-19 Response

It is imperative that employees record time accurately. Employees are strongly encouraged to record hours worked into the Mctime application **daily** and approve their timecard on the employee's last scheduled day of the pay period.

Managers are obligated to review and apply this guidance to ensure the accuracy of timecard entries for proper financial controls. Managers are expected to review, edit as necessary, and approve employee timecards prior to noon on Tuesday, following the last day of the pay period (or other departmental established deadlines). Additionally, Departmental Mctime SMEs should also review timecards for employee and manager approvals and review the Pay Period Close checklist for compliance and accuracy.

Project Code for Reimbursement

The project code established for the purposes of cost accumulation for **excess hours** or OEMHS designated tasks that may qualify for Federal FEMA/State MEMA reimbursements for personnel costs has been extended. Where employees **have been assigned tasks directly related to COVID-19 Event**, that may potentially be eligible for Federal FEMA/State MEMA reimbursements for personnel costs, OEMHS will provide authorization through the departmental EMG Coordinator to the employee's supervisor, if the codes should be applied to **regular** and/or **excess** (overtime) hours. In most cases the guidance will only require event transfer codes to be applied to excess hours. The [MCtime Informational Website](https://www.montgomerycountymd.gov/mctime/resources.html#Events), under the Resources Tab, Events Section, COVID-19 will have the following resources:
(<https://www.montgomerycountymd.gov/mctime/resources.html#Events>.)

- The latest crosswalk updated quarterly or as needed, to determine codes to use on the timecard.

If some time is worked on site at a County location, see **Example 1) Working Regular Job and Regular Duties.**

Add Row	Pay Code	Transfer	Sun 10/10	Mon 10/11
	Hours Worked ▼	////TELEWORK// 	<input type="checkbox"/>	8.0

3) Working Excess Hours on Tasks Specific to COVID-19 Event

Some Regular, Full-time, or Part-time employees are continuing to perform tasks specifically related to the COVID-19 Event. Employees who work more than their scheduled hours should code their timecard using the pay code: **Hours Worked** and must use the posted Crosswalk for the pay period to determine their individual/personal Project/Task Expenditure Org transfer codes. This guidance applies only to excess hours (overtime), but not to regular hours. Use the most recent crosswalk to determine your proper transfer codes.

Employees who work more than their scheduled hours, on tasks specifically related to the COVID-19 Event, should record the **excess** hours as a separate row, with the appropriate Project/Task Expenditure Org. If excess hours are **not** on tasks related to the COVID-19 Event, just record as normal, by increasing the hours worked on the regular hour line, or a separate line, to comply with departmental coding requirements.

Add Row	Pay Code	Transfer	Sun 2/21	Mon 2/22	Tue 2/23
	Hours Worked			8.0	8.0
	Hours Worked Excess	//PT 2003872-GEN00	5.0	1.0	2.0

Employees required to perform tasks specifically related to the COVID-19 event remotely, who worked more than their scheduled hours, should code their timecard using the pay code: **Hours Worked** and must use the posted Crosswalk for the pay period to find the Project/Task and the EMPLOYEE SPECIFIC Expenditure Org. This guidance regarding the full application of Project/Task Expenditure Org applies only to excess hours (overtime), but not to regular hours. See: **Example 2) Employees authorized to Telework** also **search and select** the reason code: **TELEWORK** to the transfer.

Add Row	Pay Code	Transfer	Sun 10/10	Mon 10/11	Tue 10/12
	Hours Worked	///TELEWORK///		8.0	8.0
	Hours Worked Excess Hours			1.0	1.5
				9.0	9.5

4) Employees redeployed from Regular Job to tasks directly related to supporting the COVID-19 Event (including COVID-19 Test Kit/Mask Distribution)

Where employees continue to be redeployed to tasks directly related to COVID-19 Event, that may potentially be eligible for Federal FEMA/State MEMA reimbursements for personnel costs, OEMHS will provide authorization through the departmental EMG Coordinator. The supervisor will provide direction to the employee to record regular Hours Worked with transfer codes found on the posted Crosswalk for the pay period for the Project/Task and the EMPLOYEE SPECIFIC Expenditure Org. See: Example 3 Working Excess Hours on Tasks Specific to COVID-19 Event. Only OEMHS will authorize transfer codes to be applied to an employee's regular and/or excess (overtime) hours.

Where employees are deployed to distribute take home COVID-19 testing kits (or masks) use the Project/Task and the EMPLOYEE SPECIFIC Expenditure Org with reason code COVIDKIT.

Add Row	Pay Code	Transfer	Sun 1/09	Mon 1/10
	Hours Worked			5.0
	Regular or Excess Hours			
	Hours Worked	//PT 2003872-GEN00		3.0
				8.0

5) Employees Detailed to another Department-

Employees detailed to another department will most likely continue to have their time charged to their home department. Since managers in the detailed department will not have access to timecards in the employee's home department, the employee should complete a [Manual Time Tracking Form](#), submit to the detailed manager for approval signature. The detailed manager should transmit the timecard to the employee's home manager for entry and approval.

Managers should update timecards appropriately, **Example 1) Working Regular Job and Regular Duties** or employees have been authorized to complete specific duties while working remotely, via Telework, **Example 2) Employees authorized to Telework.** A reason code: **DETAIL** has been created if the home department wishes to track hours.

County Employees Not Working Eligible Administrative Leave –

6) Employee with absence related to COVID-19 Healthcare Provider and OMS Directed Quarantine

Per the 4/15/22: [Updated Supervisor Guidelines: What to Do If an Employee Becomes Sick or Exposed to COVID-19](#), Employees who are experiencing symptoms or have tested positive, must contact (in addition to their healthcare provider) the [Departmental COVID-19 POC](#), who will contact OMS to assess whether there is a need for quarantine based on latest CDC, Maryland Department of Health (MDH), and Montgomery County Department of Health and Human Services (DHHS) guidelines. Until a positive COVID-19 test result is confirmed, employees directed to quarantine must use a personal leave type.

If the employee has received a quarantine notice from a healthcare provider, the healthcare provider's written quarantine notice must be provided to OMS. Administrative Leave should **only** be used once the **OMS COVID team** indicates to quarantine and a positive COVID-19 test result is confirmed. OMS will provide clearance for return to work on site. If Telework is approved and employee is able to perform work, see: **Example 2) Employees authorized to Telework.**

Positive COVID -19 Test Results

Eligible employees should enter the pay code: **Admin Leave - Other** and search and select the reason code: **ADMCVID** on the timecard for all regular scheduled (full or part time) hours for which they have been excused from work. Administrative Leave should be only used to bring an employee's weekly hours to 40 (for FLSA non-exempt and FLSA Exempt, Under Grade 25). Managers should decide whether or not to approve excess hours for eligible employees when non-productive pay status types such as Administrative Leave or personal leave types are used within the week or pay period.

The employee should remain in contact with their healthcare provider and OMS if their symptoms or COVID-19 test status changes.

If employee receives a positive test result from the COVID-19 test, the personal leave type that was used to self-quarantine will be converted to administrative leave, in accordance with the union-negotiated agreements. **Upon notification of the positive test, the manager is responsible to convert the leave via the timecard correction process.**

9) Employees with work-related Contacts with or Diagnosis of COVID-19

During the COVID-19 Event, and for contacts with COVID-19 only, until a reported CorVel Claim has been investigated, timekeeping should follow the most appropriate example(s) above. If the CorVel claim is accepted, follow Workers' Compensation timekeeping for accepted claims See: [Workers Compensation Leave Administration Chart](#).

10) Temporary Employees

Departments that continue to have Temporary employees in an Oracle assignment status: COVID LWOP should consult with OHR.
