Community Concerns:

Sean Corbett - President, Wheaton Hill Civic Association

Landscaping companies are using plastic bags with rocks in them as advertising. This adds to the pollution and littered plastic bags around the neighborhoods. Residents are cleaning up afterwards and are pressing to see something come from the county to take action.

Steve Morrison - Layhill Resident

Proposal to build a Pre-K on the corner of Queensguard and Layhill road will lead to significantly worse traffic, at a already delayed intersection. It is still with Parks and Planning in the proposal stage. Limited warning of potential development at this intersection.
