

Moving into Phase 2 – this Friday.

Link to table.

WHEATON

- **Working with group of restaurants on outdoor seating – streeteries (Price/Elkin)**
- **Westfield retail opening – runners/how to do this safely**
- **The Wheaton revitalization project is 98-percent complete. Material and labor shortages are holding steady. Although Use and Occupancy of the building on May 31st tracked successfully for 35-months, it is now scheduled for JULY^h. Move-in dates are being re-evaluated and will be adjusted. Tenants meeting/ will soon transfer over from ‘construction’ to operations’**
- **SBAP: \$578ak disbursed this year (168% more than disbursements in FY19). Plus \$120K in process. Total disbursed is \$1.2 million**

Mid-County

- MCRSC is working with Dept of Parks for community input for public artwork at Dewey Park, part of a renovation of that park which includes new amenities for the Veirs Mill Village community.
- Met with AHC, Inc., the lead developer for the **Randolph Rd./Bushey Drive redevelopment (site of Recreation Dept) for an overview and community engagement approach. Will be setting up meetings with local community leaders. Meeting with Navarro June 15th**
- **Held meeting of Mid County CCC**
- **No July 4th Event – some alternative**
