RE: Montgomery County FY2025 Community Project Funding Request

Dear Senator Cardin, Senator Van Hollen, Congressman Trone, and Congressman Raskin,

The Mid-County Citizens Advisory Board is pleased to offer this letter of support for Montgomery County's submission for the FY2025 Community Project Funding Request. The projects outlined below are exemplary County transportation priorities that will advance our progress in improving safety; increasing multi-modal mobility; supporting green, sustainable transportation; and achieving greater equity in transportation. All projects are scalable – implementation can be adjusted based on the level of funding provided.

These projects include:

- Flex On-Demand Microtransit Vehicles (*Countywide - MD 6th and 8th Districts*)
- Bethesda Metro Station Purple Line Improvements – South Entrance Mezzanine (*MD 8th District*)
- Security Cameras for Parking Garages (*MD 8th District*)
- Rooftop Solar for Parking Garages (*MD 8th District*)

Thank you for your support of these worthy projects.

Sincerely,

*Arquilla Ridgell*

Arquilla Ridgell, Chair  
Mid-County Citizens Advisory Board
