Director of Student Engagement, Behavioral Health, and Academics

Mr. Ed Clarke
Chief Safety Officer
Agenda

- Summary of System Priorities
- Feedback from Schools
- Support for Student, Family & Community Wellness
- Emergency Preparedness
- Question & Answer
## System Priorities

<table>
<thead>
<tr>
<th>Priority Area 1</th>
<th>Engaging Our Stakeholders and Rebuilding Trust</th>
</tr>
</thead>
<tbody>
<tr>
<td>Priority Area 2</td>
<td>Ensuring Health and Social-Emotional Wellness</td>
</tr>
<tr>
<td>Priority Area 3</td>
<td>Equitable Teaching and Learning in Every School</td>
</tr>
</tbody>
</table>
Priority Area 1
Engaging Our Stakeholders and Rebuilding Trust

Examples:

• Eliciting more regular feedback from the community
• Increased one-on-one outreach to parents to learn about their experience with the school
• Strengthening communication protocols
• Focus on restorative practices with students
Priority Area 2
Ensuring Health and Social-Emotional Wellness

Examples:

• Engagement of our Student Well-Being Teams to respond to overall school culture and climate feedback
• Mindfulness and Wellness Rooms
• Equitable classroom management practices to create positive learning environments
• Focus on promoting self care and access to mental health supports
• Leveraging community partnerships
Priority Area 3
Equitable Teaching and Learning in Every School

Examples:

- Professional learning on the use of student learning data to improve first instruction
- Clarity on the essential learning elements for students and responsive intervention to keep students on track
- Structured literacy approach to early literacy learning
- Emphasis on the elements of effective first instruction
Support for Student, Family, and Community Wellness

- Well-Being Enhancers
- Expansion of Mental Health, Wellness, and Community Supports
- Expansion of Community Schools & Program Partnerships
Well-Being Enhancers

Student Well-Being Teams
- Documented roles and responsibilities of the whole team and individual members
  - Communication plan to students, teachers, and the community
- Needs assessments for very vulnerable populations
  - Ex. emergent multi-lingual learners

Mindfulness Rooms
- Resources and support to build staff buy-in
- Mindfulness room or Mindfulness corners
- Defined practices for teachers to model

Peer Support Groups
- Intertwined with consistent wellness time
- Training for students alongside staff through community partnerships
- List of community partners and best practices

Consistent Wellness Time
- 30-50 minutes per week
- Repository of lessons, resources, or practices both for SEL lessons and consistent wellness time
  - List of community partners

Multi-Tier System of Support
- Full data monitoring for students on a social worker’s caseload (HS)
- Training of trainers and professional learning progression
  - Ex. de-escalation, mindfulness
- Students receiving Tier II and III supports on track to benefit from Tier I supports
Expansion of Mental Health, Wellness, and Community Supports

- Addition of mental health staff to schools
- Additional specialists in focused on wellness in smaller service areas
- Handle with Care initiative with MCPD
- Staff Training
  - Cognitive Behavioral Intervention for Trauma in Schools (CBITS and Bounce Back)
  - Youth Mental Health First Aid (YMHFA)
  - Neurosequential Model in Education (NME) training
  - La Cultura Cura/Circle Keeper Training
  - Trauma Informed Teaching
Expansion of Community Schools

As a component of Be Well 365 student well-being framework, Community Schools in Montgomery County are based upon the Governor’s criteria around FARMS rates under the funding of Senate Bill 1030. Through a concentrated series of interventions and supports each school will focus on culturally responsive relationship building, mental and emotional health, trauma informed practices, restorative practices, and physical health and wellness in addition to ensuring quality instruction that has a greater impact on the overall school community.
