# DELL Technologies

## CHROMEBOOK 3100 2-IN-1 EDUCATION

# Collaboration made real.

### DESIGNED KID-PROOF

The Chromebook 3100 2-in-1 is built to withstand the demands of the modern learning environment. It is rigorously tested to survive 30-inch drops onto steel, tens of thousands of hinge-cycle tests, thousands of 4-inch micro-drops, and 12oz liquid spills on its spill-resistant keyboard. It is also designed with captive keys for better pick resistance.

### VERSATILE, ALL-DAY CONNECTION

With up to 13 hours and 25 minutes of battery life[12], this trusty Chromebook powers through the longest school days. Comes with 2 USB-C ports so that you can conveniently charge your system with either port, while also providing fast and reversible connections to other devices.

### CONSTRUCTED FOR COLLABORATION

Students can create, problem-solve, and collaborate with a 360-degree hinge that allows for viewing and writing from any angle or mode - flat, tent, tablet or laptop. Available with the optional Dell Active EMR Pen support and the optional World-Facing Camera, which provides dual camera support that enables flipped viewing and recording angles.

| Feature | Technical Specification |
|---|---|
| Model Number[1] | Chromebook 3100 2-in-1 Education |
| Processor Options[1] | Intel® Dual Core Celeron Processor |
| Operating System[1] | Google Chrome OS |
| Google Auto Update Expiration (AUE) | June 2026 |
| Memory Options[1,2,3] | LPDDR4 2400MHz; supporting 4GB & 8GB |
| Chipset[1] | Integrated with the Processor |
| Graphics[1,10] | Intel® HD Graphics |
| Display[1] | 11.6" HD (1366 x 768) WVA Touch Screen w/Gorilla Glass NBT |
| Storage Options[1,3] | 32GB eMMc<br>64GB eMMc |
| Security[1] | H1 Secure Microcontroller |
| Docking[1] | N/A |
| Optical Drive Options | External Options Only |
| Multimedia[1] | High Quality Speakers<br>Headset/mic combo jack<br>Integrated webcam with microphone<br>Optional World Facing Camera |
| Battery Options[1,5] | 42 WHr Polymer |
| Power Options[1] | 65W adapter, USB Type-C |
| Connectivity Options[6] | Wireless LAN:<br>Intel® Dual-Band Wireless-AC 9560 Wi-Fi + BT 5.0 Wireless (2x2) |

# Recommended Accessories

CHROMEBOOK 3100 2-IN-1 EDUCATION

## ULTIMATE CLASSROOM SOLUTIONS

### DELL COMPACT CHARGING CART | 36 DEVICES

Secure, charge and transport up to 36 laptops all in one place, with a cart that easily rolls from one classroom to the next.

### DELL 75 4K INTERACTIVE TOUCH MONITOR | C7520QT

Experience natural touch functionality that allows you to annotate with your fingers, write with a stylus, or even erase written content with the palm of your hand with virtually no lag.

## LEARNING ON-THE-GO

### DELL MOBILE WIRELESS MOUSE | MS3320W

Work seamlessly with dual mode connectivity (2.4GHz wireless or bluetooth) and 36 months battery life.

### DELL PRO STEREO HEADSET - UC150

Experience great audio clarity with the Dell Pro Stereo Headset - UC150. And, get started right away with plug and play without having to download any software.

### DELL ACTIVE EMR PEN - 444-BBCS

Get the most from your learning experience with the Dell Active EMR Pen, to take notes or sketch a diagram with the ease of pen and ink and electro-magnetic resonance (EMR) technology, without the burden of cords or batteries.

# Built for business

## Dell Technologies Unified Workspace

Dell Technologies Unified Workspace is the most comprehensive solution to deploy, secure, manage and support virtually all devices from the cloud. We designed this revolutionary solution with intelligence and automation providing you with visibility across the entire endpoint environment. We help you save time, improve user experience, optimize resources and strenthen security.
### DEPLOY

Our modern deployment solution, ProDeploy in the Unified Workspace allows you to revolutionize the way deployment gets done. By spending just one hour for set up , IT can then hand deployment to Dell and have preconfigured systems shipped directly to the end users--wherever they are.

### SECURE

Dell Endpoint Security for the Unified Workspace helps you manage growing cyber risks while embracing workforce transformation. With Dell SafeGuard and Response powered by Secureworks, you gain actionable insight to help you quickly and efficiently prevent, detect and respond to cyber-attacks - keeping your environment free from harm.

The 3561 has additional security features such as Intel® Platform Trust Technology, Trusted Platform Module (TPM) 2.0 (Check regional availability), Chassis lock slot support; Support for Computrace and SmartCard Reader; Fingerprint reader or FIPS Fingerprint reader (Check regional availability); camera privacy shutter.

### MANAGE

We integrated our hardware management solution Dell Client Command Suite with VMware Workspace ONE, allowing you to take advantage of unified endpoint management (UEM) and manage the firmware, operating system and applications for all devices from the Workspace ONE console. UEM simplifies the management of the entire environment saving IT time from having to work between separate consoles for PCs and phones.

### SUPPORT

ProSupport Plus continues to be the only predictive and proactive support in the market. When compared to key competitors, ProSupport Plus with SupportAssist reduced time to resolve a failed hard drive with up to 11x faster time to resolution*

*Based on a Principled Technologies test report, "Spend Less Time and Effort Troubleshooting Laptop Hardware Failures" dated April 2018. Testing ommissioned by Dell, conducted in the United States. Actual results will vary. Full report: http://facts.pt/L52XKM
