Appendix A: MCPD Recognition Bars/Order of Merit

I. Policy

It is the policy of the department to encourage the recognition of all employees for outstanding or extraordinary performance on a sustained basis or for singular acts of heroic or exemplary performance. Awards programs are intended only to recognize special or meritorious performance.

Any employee may nominate a fellow employee, or group of employees, either within the employee's specific unit or outside, whom the employee feels is worthy of recognition. Any employee/group of employees may be nominated for sustained outstanding performance, a special project, or one incident that the nominator believes deserves special recognition. The MCP 360, "Awards Nomination Form," will be used, unless otherwise noted. Files with the employee's name, the type of award, and the MCP 360s will be maintained by the Management Services Bureau (MSB). Employees may be nominated/recommended for both a Departmental/Internal Award and a Mini Award.

The Administrative Lieutenant, MSB, is responsible for administering all aspects of the awards program.

II. Purpose

The purpose of this policy is to establish a standardized procedure by which documented recognition may be given to those members of the department who perform above department standards, or demonstrate special faithfulness to duty, meritorious skill, or bravery in the performance of duty.

III. Procedures for Handling Internal/ External Compliments

A. Verbal Compliments

1. Verbal compliments are those which are usually received via telephone or in person from a member of the community.
2. When a verbal compliment is received by telephone, the call taker will refer the call to the respective supervisor or, if not available, to another on-duty supervisor. If a supervisor is not readily available, the call taker will explain to the caller that the compliment will be documented on an MCP 580, "Compliment/Complaint Form," and forwarded to the affected employee's supervisor for placement in the supervisor's files for a period of one year.

B. Intra/Inter-Departmental Compliments

1. Intra/inter-departmental compliments are used when a supervisor or other employee wishes to express appreciation to a member of the department or an allied agency for notable performance of the more routine tasks.
2. Intra/inter-departmental compliments are to be documented on the MCP 360. They will be addressed and forwarded via the chain of command to the commander of the employee being complimented.
3. The district/unit commander will review and initial the MCP 360 and ensure that copies are sent to the distribution list. The distribution list is to be typed on the original and all copies of the MCP 360 will be distributed as follows: one copy to the bureau chief, one copy to the unit commander, one copy for the service record (Personnel Division at Headquarters), and one copy to file. The name(s) of individuals receiving the compliment are to be listed at the bottom of the distribution list, under the heading Personnel Involved.
4. All of the above steps are to be handled entirely at the district/unit level.

C. Complimentary Letters

1. Complimentary letters are those letters received thanking or complimenting employees for performing tasks and/or providing assistance in a courteous, efficient, or expedient manner.
2. When a complimentary letter is received directly by an employee or the employee's commander, the response will be handled entirely at the district/unit level. The supervisor of the affected employee will contact the sender, by phone or in writing, to acknowledge receipt and convey the department's appreciation for the compliment. Exceptions are discussed in section II.C.4.
3. Complimentary letters addressed to, and received by, the Chief of Police will be forwarded to the appropriate commander for preparation of a written response to be signed by the Chief of Police. The appropriate distribution list will be typed on all copies of the response, not on the original. In some cases, the Chief may indicate a different action to be taken.
4. Responses to complimentary letters regarding previously arranged services or activities (e.g., presentations/surveys on crime prevention to individuals and groups, presentations to school students or PTA meetings, attendance at civic meetings, providing demonstrations, traffic control, etc.) are not required. However, the commander of the district/unit receiving the letter will ensure that the appropriate distribution list is typed on the original and all copies of the incoming letter and will affect distribution of same.

The employee must be performing at an acceptable level of competence. An employee may also be advanced one or more steps within-grade in recognition of an exceptional act or act of heroism in performing official duties and responsibilities. External awards do not automatically qualify as departmental awards, but may be submitted for consideration in the appropriate category.
2. The Administrative Lieutenant, MSB, is responsible for facilitating these awards and posting the applications on the Administrative Web Board.
3. Public Safety Awards are presented annually by the Montgomery County Chamber of Commerce to police officers, fire/rescue personnel, sheriffs, and correctional officers for acts of valor. Recipients of the Public Safety Award may wear the ribbon centered above any recognition bars.

The department will host an awards presentation ceremony four times a year, if necessary. All of the awards in section III which were earned during the preceding quarter will be presented at that time. Additionally, employees who received awards from sources outside the department (e.g., shooting matches, motorcycle competitions, Police Olympics, County Service Awards, etc.) and employees who were awarded mini-awards will be recognized at these ceremonies by having their names and awards listed in the program. Information on awards received from sources outside the department must be forwarded to the Administrative Lieutenant, MSB, by the employee who received the award. The ceremony will be coordinated by the Management Services Bureau.

XI. Appeals

Award nominations that are not granted may be appealed, either in writing or by appearing in person at the subsequent meeting of the Awards Review Committee.
