

Clarksburg Region
Community Recreation & Aquatic Center

Community Forum

Wednesday, June 8
7:00PM-8:30PM

Rocky Hill Middle School Cafeteria
22401 Brick Haven Way
Clarksburg, MD 20871

- Please join in Montgomery County's process of evaluating information as it plans for the future of the Clarksburg Region's Community Recreation and Aquatic Center, a Capital Improvements Program Project (CIP).
- In order to formally propose a project for approval, the project must be both well-described and cost-estimated.
- This Community Forum is the earliest preliminary step in developing the project description - LISTENING TO THE COMMUNITY, before any other work is accomplished.
- Please help us to define the needs for community and aquatic recreation services for the northern county region.
