MISSION

The mission of Montgomery County Recreation's youth basketball program is to provide players a safe and fun environment to learn the fundamentals of basketball, teamwork, sportsmanship, confidence, and discipline. MCR's goal is to foster positive parental involvement and ensure all participants are treated with respect.

ROLE OF THE COACH

Coaches will introduce players to the fundamentals of basketball and appropriate sport terminology. Coaching is not about winning and losing. The primary reason children participate in MCR's program is to have fun! For some players this will be their first experience playing on a team. The emphasis should be on finding teachable moments and encouraging players. Players should understand it is okay to make mistakes. Coaches should create a fun environment by providing positive feedback, teaching, encouraging good sportsmanship, demonstrating fundamental basketball, treating players fairly and equally, and promoting teamwork.

COACHING NOTES

- 1) Coaches must be clearly identifiable as a head coach or assistant coach to staff and officials. There must be at least one (1) coach present per game. No team can have more than two (2) coaches during any game.
- 2) All coaches are required to submit a background check to Montgomery County Recreation (MCR) and are subject to approval. In the event a coach is not approved, he/she will be notified. **BOTH HEAD AND ASSISTANT COACHES MUST BE FINGERPRINTED THROUGH MCR.**
- 3) All coaches must agree to implement all policies, responsibilities, and coaching expectations established by MCR.
- 4) The coach is the main contact between MCR and the players. The coach is responsible for communicating information regarding practices, games, locations, and any other team concerns.

- 5) Coaches are responsible for reinforcing positive spectator behavior with the team's spectators. The officials are required to communicate or address any spectator issues with the head coach and not the spectator.
- 6) Head coaches are required to hold a preseason meeting with parents to communicate MCR's code of conduct, rules, and responsibilities.
- 7) Coaches are responsible for displaying good behavior and sportsmanship at all times to serve as an example for players and spectators.
- 8) Only the head coach and/or the assistant coach can sit on the bench during a game. Any violation of this rule may result in a forfeit if the violation is not immediately addressed by removing the person from the bench area.
- 9) No coach may leave the bench area to discuss and/or dispute with an official or staff. Failure to comply may result in ejection and/or suspension.
- 10) All coaches are expected to always be good role models for players. The goal of the recreational program is to have all coaches teach skill development and encourage players to be active and have fun.

LEAGUE REMINDERS

- 1) Players must play in their current grade or above. Players cannot play down a grade.
- 2) Players and/or teams may only "play up" one grade level (i.e. a 3rd grader could play in the 4th grade league)
- 3) If a player's eligibility is questioned, MCR can request a copy of the participant's report card.
- 4) For safety, jewelry cannot be worn during games.
- 5) T-shirts are provided for each player in the instructional and grades 3-8 winter youth league. Each player must wear the provided shirt during games. T-shirts may not be altered.
- 6) Ensure players list the head coach during the registration process to ensure he/she is assigned to the appropriate team.

MONTGOMERY COUNTY RECREATION(MCR)

ROLES

Sports Supervisor

The sports supervisor is a full-time MCR employee responsible for the overall coordination of all Montgomery County Recreation's youth and adult sport leagues and programs.

Recreation Specialist

The recreation specialist is a full-time MCR employee responsible for coordinating and facilitating any assigned league/program. He/she assigns practice times and locations, creates game schedules, schedules gym staff, and communicates all relevant information to volunteer coaches.

Game Officials

Game officials are contract or seasonal employees who are either certified by the International Association of Approved Basketball Officials (IAABO) or trained seasonal MCR staff. A game official makes all final decisions on the court. Although two officials are assigned to league games (3rd - 12th grade only), a game can be played with one trained official (3rd-4th grade) or one certified IAABO official.

Gym Supervisor / Scorekeeper

Gym supervisors or scorekeepers are MCR seasonal employees who are responsible for enforcing league rules and reinforcing positive coach, player, and spectator behavior. Responsibility also includes keeping game time and score and reporting to the league's assigned Recreation Specialist.

YOUTH BASKETBALL LEAGUE LEVELS

Instructional League (K - 2nd)

The instructional basketball program is a non-competitive beginner league for boys and girls emphasizing fundamentals, basic skills, good sportsmanship, and fun. Four one-hour practices and four scrimmages are provided on Saturdays during the winter season at various gym locations throughout Montgomery County. Baskets are lowered to 8 feet and game shirts are provided.

Youth League (3rd – 8th)

The 3rd through 8th grade league is a countywide non-competitive league for boys and girls. Each team is assigned a one-hour practice one evening per week. Two teams will be assigned per gym. Games are played on Saturdays and Sundays, depending on the specific league. All teams receive an eight-game schedule. Grades 3 through 4, jerseys are provided.

High School (9th – 12th)

The 9th through 12th grade league is a recreational basketball league for high school youth that fosters development of basketball fundamentals while also advancing skills in teamwork, discipline, friendship and sportsmanship. The league provides an opportunity for high school players (varsity, junior varsity, and novice) to play eight games on Saturdays or Sundays and practice one night per week for an hour. Games are officiated by certified IABBO officials. Baskets are set to 10 feet high and game jerseys are provided.

Rising Star (5th – 8th)

The Rising Star league is a competitive league for 5th through 8th grade teams. Rising Star is intended for highly skilled teams. All teams are pre-formed, and games are officiated by certified IAABO officials. Coaches must coordinate/provide practice times and uniforms for the team.

RULES

Instructional Rules (K-2nd)

Scrimmages are intended as an extension of the practice sessions. Participants can use the skills they have learned in a game situation. Please do not keep score or standings but encourage the team to have fun.

1. Kindergarten and first graders will break into 2 groups and play 2 half court (using side baskets) games – 4 on 4. There will be one referee per gym. A coach and/or parent is responsible for overseeing one of the games. The referee will keep time for the whole gym and switch sides at half time.
2. Second graders will play one game using the full court – 5 on 5. For combined 1st and 2nd grade leagues, the default format is one full court, 5 on 5 game.
3. Basketball rim heights should be set to 8 feet for all kindergarten through second grade games. Junior (27.5”) basketballs should be used.
4. Games consist of four (4) – eight-minute quarters. Time stops on foul shots and time-outs. Teams may have two (2) one-minute time-outs per game.
5. Each player must play two (2) quarters from start to finish for rosters of 10 players. For teams with more or less than 10 players, rotate playing time each week to provide an equal opportunity for all players. Teams should have no more than 12 players. No child should play every quarter of every game.
6. Use a foul line approximately 2 feet in front of the regulation foul line.
7. There are no back court violations.
8. No pressing or double-teaming. MCR encourages teams to play a man-to-man defense once the ball crosses into the offensive front court. Teams may want to have a lineup at the beginning of each quarter to assign each player a “man” to cover.
9. There are no 3-point shots.
10. RELAX, BE COOL, AND HAVE FUN!

Youth Rules (3RD - 8TH)

ARTICLE I - Goals

The Montgomery County Recreation sponsors separate basketball leagues for boys and girls. The purpose of the leagues shall be to provide an opportunity for Montgomery County youth, within the prescribed grade limits, to learn the fundamentals of basketball, and, under competent leadership, to enjoy participation and competition in these organized leagues. Objectives shall include the development of positive social values and character traits; good citizenship; physical and mental health; and a knowledge, appreciation, and interest in basketball. It is our goal to instill the will to win and the courage to accept defeat or disappointment, with emphasis on fair play and sportsmanlike conduct. The rules, as specified by the League Office, will always govern practices and games.

ARTICLE II - Teams

Section A

The league requires that players must play within their grade level. Exceptions will occur only when authorized by the League Office. Age groupings are as follows, provided adequate numbers exist, otherwise grades may be combined:

Third Grade

Fourth Grade

Fifth Grade

Sixth Grade

Seventh Grade

Eighth Grade

Section B

The League Office reserves the right to permit a team to participate in the league with fewer or more players than the maximum, depending on registration. The League Office reserves the right to place players (free agents) on rosters, for any given reason, regardless of roster size. The League Office reserves the right to penalize teams who refuse to accept individual players assigned by the League Office. Teams in grades 3rd-8th will have a maximum roster of 12 players. **Players cannot be CUT from a team.**

When possible, teams in grades 4th-8th will be distributed between two divisions: Entry Level (new team or team below .500 record last year) or Intermediate Level (returning team with above .500 record last year). Returning teams that won the Entry Level division in the previous season will move into the Intermediate Level unless the League Office deems otherwise. Grade 3 teams are treated as Entry Level teams unless the League Office is informed the Grade 3 team is Intermediate Level.

Section C

Players must be listed on the team roster to be eligible to play (see Article III, Section B). Each team will maintain a roster of active players and they must be enrolled in the Montgomery County Recreation registration system before the League begins. Additions or deletions to the roster must be reported to the League Office immediately. No additions to the roster may be made after the second game except for a player transfer or medical emergencies, either of which must be approved by the League Office.

1. Changes to a roster due to medical reasons must be documented in writing by authorized medical personnel, stating that the individual to be dropped may not return to play during the current season. An addition is only approved if the team's roster remains below the maximum for that age group.
2. Transfers may be approved in the following circumstances:
 - a. If a player moves and changes schools;
 - b. If a player transfers schools;
 - c. If a team has a maximum roster;
 - d. If during a season a player is placed by the League Office on a team outside his or her school district or recreation area, and during a subsequent season a team is formed from his or her school district or recreation area.

ARTICLE III - Players

Section A

Any youth who either resides or attends school in Montgomery County is eligible for registration (Nonresidents are eligible pending nonresident fee payment) and will be assigned to a team in accordance with his/her grade level, pending sufficient registration to form a team and the recruitment of a volunteer coach. Preformed teams are accepted. New players can be added to rosters of preformed teams. **Individuals participating in the Rising Star middle school league may participate in this league, however Rising Star is considered a select league and teams must abide by Article III, Item 1.**

Teams that violate the player eligibility rules will be suspended from the league for the remainder of the season. Any team using an ineligible player shall automatically forfeit all games in which the ineligible player participated. All games played, and all scheduled games to be played shall be forfeited to the opponents. Any team dropped from the league shall forfeit all registration fees. Any coach who utilizes an ineligible player shall be banned from all Montgomery County Recreation Department activities for a period of one (1) year.

1. No team in any age group can carry more than two (2) "select" players. A select player is one who plays on a team in a league that permits try-outs. MCPS Interscholastic Middle School 7th-8th grade players will not be considered select. The Montgomery County Recreation Rising Star program is considered a select league.
2. If a youth is 2 or more years older than the grade he/she is enrolled in, he/she must move up to the next grade level in the league.
3. Players are assigned to an age group by the grade in which they are currently enrolled, not their date of birth. Players may not play up more than one grade level from their current school grade.
4. Any player who participates under an assumed name will automatically be suspended from all Montgomery County Recreation Department activities for a period of one (1) year from the date of the incident. If a team uses a player under an assumed name, in grades 3rd-6th, that team shall forfeit all games in which the player participated, and the coach shall be relieved from his/her duties. For grades 7th-8th, that team shall automatically be suspended from the league for the remainder of the season and shall forfeit all games in which the player participated.

Section B

The participant fee, the registration and parental release form, and the spectator guidelines, properly filled out and signed by the parent or guardian, must be submitted to the Recreation Department before the youth is eligible to practice or play.

Section C

Any coach or player who is removed from a team for disciplinary reasons, or is ejected from a game, must sit out at least the next played game. A second ejection during the season may result in suspension for the remainder of that season. Any player suspended for the season forfeits his/her registration fee. The fact that a player is quitting or is dismissed from a team for disciplinary reasons must be immediately reported to the League Office. THIS MUST BE DONE IN WRITING. If a participant's playing time requirement is going to be altered by decision of the coach for either repeatedly missing practice or disciplinary problems, notification must be given to parent, child and League Office at least 24 hours prior to the scheduled game.

ARTICLE IV - Playing Time Rule

Each player in grades 3rd-8th is required to play one complete, uninterrupted quarter from start to finish. Teams with more or less than ten players should refer to Article IV, #5 for playing time requirements.

All grades: Four (4) players and an adult coach must be present to start a game. If a team has less than four players at the start of the game, the game is forfeited. Note: IAABO referees are not authorized to officiate once a game has been forfeited. (See Article XIII).

1. Late Arrivals: Players arriving by the beginning of the third quarter must play a minimum of one complete, uninterrupted quarter from start to finish. Players arriving after the start of the third quarter must be allowed to participate in the game.
2. In case of a player's INJURY OR ILLNESS during their complete quarter, the coach and gym supervisor must decide whether the child is capable of finishing the quarter. If the player is determined to be unable to complete the quarter, the team will not be penalized.
3. If any violation of the above rules occurs, the gym supervisor must be notified so that the violation may be rectified on the spot with no penalty involved. When a playing time or substitution is brought to their attention, Coaches are expected to immediately conform to the league rules. Coaches must have all players check in at the scorers' table before entering the game.

ARTICLE V - League Formation

The Recreation Department will attempt to provide opportunities for two levels of play, Entry and Intermediate, grades 4th – 8th. (See Article II, Section B). The rules stated within these articles will govern both divisions. The only difference will be the method by which the teams are entered. Previous season standings may determine level of play.

Section A

Entry Level – all third grade teams, new pre-formed teams, teams formed by the Recreation Department from individual registrations, or pre-formed teams with a record below .500 from the previous season. Teams formed from individual registrations are done randomly by middle school district, as much as possible. (Limit: two (2) select players, see Article III, Section A.1.)

Section B

Intermediate Level - returning teams with a record above .500 in the previous season. These teams will be accepted from Sports Associations, Youth Clubs, or private/parochial schools. Teams must be school or community-based and must be approved by the League Office. This is not a select league. Try-outs are not permitted. The League Office reserves the right to place players (free agents) on rosters, for any given reason, regardless of roster size. (Limit: two (2) select players, see Article III, Section A.1).

Section C

Rising Stars - this is a highly competitive, select, countywide league for 5th, 6th, 7th and 8th grade boys and girls, with separate leagues for boys and girls by grades. Teams must provide their own uniforms and practice time. No minimum playing time rule. Try-outs for each team are allowed. Separate articles and rules pertain to this league.

ARTICLE VI - Uniforms and Equipment

Section A

Players are encouraged to wear appropriate basketball attire. Only official, numbered team jerseys provided by Montgomery County Recreation may be worn. If a player loses his/her jersey, the player must provide a similar shirt in the same color.

The addition of player names or league approved sponsor names is acceptable. The League Office must approve any artwork to be printed on team jerseys.

All players must wear gym shoes with non-marking soles.

Violations of the uniform policy may result in forfeiture of the game or games until the team is in full compliance. This decision will be made at the discretion of the League Office.

Section B

Montgomery County Recreation will provide all game balls.

ARTICLE VII - Awards

The team with the best win/loss record in the 3rd through 8th grades will receive individual awards.

In the case where teams end the season with a tied record, the team with the best record in

head-to-head competition will be declared the winner.

If they are still tied, the team with the higher point differential in the games played between the tied teams will be declared the winner.

If this still does not break the tie, the League Office will decide as to the presentation of the awards.

ARTICLE VIII - League Office and Gym Supervisor

Section A

The League Office shall have the power to reprimand, suspend, or dismiss players, coaches or spectators for violation of Basketball League Rules and Regulations. Other duties of the League Office include:

Anyone who goes onto the court while the game is in progress to dispute a call will be ejected immediately and subject to suspension or further disciplinary action. Failure by anyone to leave the gym immediately following his/her ejection will result in termination of the game by the league officials. Anyone ejected from a game, must sit out at least the following played game and may not be present at the site during the game. Coaches are encouraged to control their parents and spectator's behavior.

Overview

Montgomery County Recreation (MCR) provides a safe and balanced learning environment for players of all abilities that develops athletic skills, character, sportsmanship, and teamwork for youth through their participation in recreational sports.

Montgomery County Recreation (MCR) promotes the physical, social and emotional development of youth participants. It is essential for parents, coaches and officials to encourage young athletes to embrace the values of good sportsmanship. All adults involved in youth sporting events should be models of good sportsmanship and lead by example demonstrating fairness, respect and self-control.

As a parent or guardian of a MCR player, I pledge to be responsible for my (and any other parent, guardian or guests of my child) words and actions while attending, coaching or participating in a youth sporting event. I shall conform my behavior to the following code of conduct:

1. I will remember that children participate to have fun and that the game is for the youth participants, not adults.
2. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or other sporting events.
3. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any MCR staff, official(s), coach(es), player(s), or parent(s) such as booing and taunting; refusing to shake hands; verbal or physical threats; or using profane language or gestures.
4. I will not engage or encourage my child or any other person to engage in any behavior which would endanger the health, safety or well-being of any coach, parent, player, participant, official, MCR staff or any other attendee.
5. I will treat, and ensure my child treats, any coach, parent, player, participant, official, MCR staff or any other attendee with respect regardless of race, creed, color, national origin, sex, sexual orientation, game play or ability.
6. I will not initiate and will not tolerate my child initiating a verbal or physical fight, abuse, negative comments or scuffle with any coach, parent, player, participant, official, staff or any other attendee.
7. I will not embarrass my child by calling attention to him/her through loud or rude behavior.
8. I will encourage my child to practice good sportsmanship.
9. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
10. I will promote the emotional and physical well-being of all the athletes ahead of any personal desire I may have for my child to win.
11. I will respect the staff and official's authority during games and will never question, discuss, or confront coaches or MCR staff at the game, and will take time to speak with coaches privately at an agreed upon time and place if I have an issue or concern.

12. I will help ensure that each child plays in a safe and healthy environment, leave food and beverages outside the gym (if applicable), help pick up trash, and notify coaches or staff of noticeable playing hazards.
13. I will assure the environment is free from tobacco products, drugs and alcohol at all youth sporting events.
14. I will accept decisions of officials as being fair and performed to the best of their ability. I will refrain from criticizing any of the above verbally or by gesture. I will never go onto the court/field while the game is in progress to dispute a call and allow any questions or rule interpretations to be handled appropriately by the coaches, staff and officials during time-outs/between halves or each quarter.
