

Coaches,

Thank you for volunteering to coach youth basketball with Montgomery County Recreation. Our leagues rely heavily on the community to coach our players, and we are here to provide all the resources necessary to have a successful season. We are already preparing for the 2025-26 Winter Youth Basketball season, and registration is right around the corner!

All coaches will be required to go through our background check process. Safety is priority in our programs and having cleared coaches is the first step. Coaches who have been cleared in the past will not need to go through the process again. New coaches will receive more information after completing the coaches' inquiry, explained below.

As in years past, we will be utilizing an online form to build your teams so that players can register directly to your roster. Please complete the [Coaches Inquiry](#), this inquiry will provide us with information about you and your team. This is also where you will identify 5-8 practice location options, using the information in this document, as well as create your team passcode that you will pass along to your players to use to register for your team.

Players will register through our online registration system, www.ActiveMontgomery.org. Once on our registration site, they will search the Activity Code (see below) for the league playing to start the registration process. (Please see attachments "How to Reset Online..." and "How to Create an Online..." as help guide to pass along to players on the process of registration.)

We are so excited to get the kids (and coaches) back on the court this season! Please feel free to reach out with any questions along the way, as we're here to help in any way we can!

We look forward to another great season!
