[IT /Automation Team](#)

The IT Team administers the primary recreation management software RecTrac, branded as ActiveMONTGOMERY, that facilitates customers registrations into activities, facility reservations within recreation centers, and pass membership sales. Senior members of team provide regularly scheduled training classes and training materials to more than 250 career staff and over 500 part-time staff on navigating the system regarding the processes for conducting transactions for recreational services. Rec IT works in close collaboration with the county's Finance Department to ensure financial interfaces and reconciliations are accurately integrated and reported daily to the county's financial systems.

In addition to RecTrac the team is responsible for Recreation's IT infrastructure, hardware, and software needs for all teams and facilities within the Department from procurement through install and end-user training. REC IT ensures the Department's practices regarding use of information systems and resources comply and align to the county's Administrative Procedures and information security best practices.

Updates:

- Resolved 241 service request submitted by staff in September for a total of 2,125 support cases resolved year-to-date.
- Provided 9 IT classes training 63 staff in September on the recreation management software for a total of 64 in-house classes year-to-date with over 350 enrollees.
- Implemented multi-language translation feature on ActiveMontgomery.org
- Completed digitizing a custodial services checklist workflow.
- Developing a chatbot to assist customers to getting answers for frequently asked questions.
- Developing an enhanced financial transactions data interface in collaboration with Finance Department and ERP.

Senior Facilities/Programs

Montgomery County Recreation has many ways for independent adults, 55 and older, to stay active and healthy. Whether you are working, semi-retired, or fully retired, our eight senior centers offer many programs, activities, classes and events for you to choose from. Our centers have diverse amenities that may include fitness rooms, social halls, meeting spaces, classrooms, billiards and game rooms.
