Dear Seniors,

Montgomery County Recreation (MCR) is excited to welcome the 55+ community back to our senior centers! We've been apart for far too long and look forward to seeing you in our centers participating in programs, classes, work outs and much more!

Damascus and Holiday Park senior centers will open their doors for a grand re-opening on Monday, June 14. Join us for an action-packed week-long celebration! A variety of programs and activities will be scheduled for you to register for and your favorite drop-in activities will be available, such as the weight room, library, and pool tables.

We are happy to announce a soft reopening of the North Potomac, Schweinhaut and White Oak Senior Centers beginning the week of Monday, June 14.

Though we will wait a little longer to celebrate the reopening of Long Branch Senior Center, we are pleased to be offering 55+ programming on Tuesday and Thursday mornings, beginning Tuesday, June 15 outside of the MCR Long Branch Pool (weather permitting).

Programs new and old are being scheduled and details will be available on our [website](#) as new information becomes available. We sincerely hope you will find something of interest and stop in to see us, we have missed you!

Need curb-to-curb transportation or want to reserve a lunch at Damascus or Holiday Park? Please call the center nearest you to speak to the Center Director or call our main office at 240-777-4925.

Curbside transportation is available for any resident 55 and older who resides within the centers service area (approximately 3-5 mile radius). Wondering if you qualify or need help reserving a spot? Our dedicated Recreation professionals are here to help, just give us a call. Currently transportation will be offered five days a week for our Holiday Park and Damascus locations. All other location will be offering modified transportation for our soft re-opening
