Dear :

## REDETERMINATION/RECERTIFICATION RESULTS

If you are a limited English speaker or you require reasonable accommodations for a disability or impairment, please notify your Case Manager immediately.

Based on your redetermination/recertification, you are still eligible for Medical Assistance. Your period of eligibility is from 01/19 through 12/19. This means you will receive Medical Assistance during this period unless there is a change in your situation. Before the end of this period, we will contact you to review your eligibility.

You will receive benefits for the people listed below:

MA #  
MA #

Most people eligible for Medical Assistance must be enrolled in HealthChoice, a managed care program. If you must enroll, you will receive information by mail which will help you select the best Managed Care Organization (MCO) for you and your family. If you would like to receive information about HealthChoice right away, you may call 1 (800) 284-4510.

## IMPORTANT

It is very important that you notify your case manager if you move. Mail about the Maryland Medical Assistance Program and HealthChoice will not be forwarded to a new address. If your case manager does not have your current address at all times you will not receive important letters about HealthChoice and continuing eligibility. You must also report changes in income, insurance and household members within ten days of such changes. If you do not report these changes eligibility may be canceled.
