Dear

REDETERMINATION/RECERTIFICATION RESULTS

If you are a limited English speaker or you require reasonable accommodations for a disability or impairment, please notify your Case Manager immediately.

Based on your redetermination/recertification, your household is still eligible for the Food Supplement Program. Your period of eligibility begins on 05/01/19 and ends 04/30/20. This means you will receive Food Supplement Program benefits for this period unless there is a change in your situation. We will contact you to review your eligibility.

You will receive \$ monthly until there is a change in your circumstance.

You will receive benefits for the people listed below:

You are part of the simplified reporting group for the Food Supplement Program. When your household income goes up, you must see if all monthly income is more than the monthly income allowed for your household size. Add up earned income and unearned income that your household receives in a month. If the amount is more than, \$ 2,252.00, call your Case Manager right away to report your income.

If you get cash assistance or medical assistance, you must report all changes within 10 days.

Need money to pay your electric and heat bills? If you qualify, the Office of Home Energy Programs (OHEP) can help. For information call 1-800-352-1446 or visit us on-line at www.dhr.state.md.us/meap/index.htm
