Camper Code of Conduct

Instructions: You and your child are expected to read this Camper Code of Conduct together in order to help your child behave appropriately while at camp. Then you are expected to sign the enclosed Health & Information Form stating your acceptance and understanding of it.

The Montgomery County Department of Recreation is dedicated to providing outstanding summer camps for the youth of Montgomery County. To achieve this goal we place value on children by offering exciting camp experiences with an emphasis on safety, convenience and affordability.

Campers are expected to behave appropriately and promote a safe, fun and healthy environment through productive participation. The staff will use a positive approach to discipline and will seek parental support to resolve behavior issues and to encourage positive behavior. Participants who remain disruptive after consultation with the parents may be dismissed from the program. Please go through the Code of Conduct on the reverse side with your child so that he/she fully understands the expectations.
