

Coaches:

The upcoming basketball season is just around the corner. **The first day to register is October 1, 2014.** Practice time will be given on a first come first served basis.

I encourage all parents to register online. **Here is the link to register. Please forward it on to your parents.**

Parents need to put in the correct course number and request you as the coach. The course numbers are listed in the flier. Please don't hesitate to ask if you need to know which number to use. If parents don't want to register online, they can fill out a registration form and fax or mail it back. Once I receive the roster and the team is registered, I will call to arrange the practice location / time.

All coaches need to be fingerprinted. If you were fingerprinted last year, you do not need to do so again. Anyone who hasn't been fingerprinted by MCRD can call 240-777-6851 to arrange an appointment. Rosemarie will do the prints in our office.

The first four weeks of the program are practices and will begin on Saturday, January 10th or Sunday January 11th – you can choose. The last four weeks will be scrimmage games.
