

I helped clear my elderly neighbor's sidewalk.

Kids shouldn't have to walk in the street.

I might be old-school, but I get the job done.

I stayed in the shed... I'm so ashamed.

Storm is over. Time to get it done.

Show You Care... Shovel Your Sidewalks

County residents are required by law to clear sidewalks in front of and alongside their properties within 24 hours of the end of a snowstorm. Check up on older adults and vulnerable people who live near you, especially those who live alone.
