50+ And Looking To Put Your Skills To Work?

Connect with the 50+ Volunteer Network

The Montgomery County Volunteer Center's new **50+ Volunteer Network** connects skilled volunteers with nonprofit and government agencies that can benefit from a lifetime of experience. This program is perfect for anyone who is over 50 and wants to make a significant contribution of time and talent to the community, while still retaining the flexibility of retirement.

Through personal consultations, trained advisors can help identify a volunteer opportunity that matches your particular interests, skills, and availability. This may include:

- Ongoing organizational support
- Short-term consulting projects
- Direct services to clients in need

For more information, call 240-777-2600 or email 50plus@montgomerycountymd.gov. You can also visit the 50+ Volunteer Network table at the Volunteer Fair during the **Dr. Martin Luther King Jr. Day of Service** on January 15, 1- 3 p.m. at the Bethesda North Marriott Conference Center.
