   (1) The United States Constitution, Fourth Amendment, Search and Seizure.

   (2) The Maryland Constitution, Article 24, Due Process.

   (2) Each employee is fully accountable for the use of delegated authority, as well as for failure to use it.

II. Jurisdiction

A. A Sheriff's jurisdiction is defined as the county in which the Sheriff is elected and is referred to as a “bailiwick”. The geographical jurisdiction of the Sheriff of Montgomery County is depicted on the various Montgomery County street maps posted throughout the Sheriff’s Office.
B. The Sheriff and the Sheriff’s deputies have the authority to serve certain types of process (i.e. summonses and subpoenas) in other Maryland counties, however, law enforcement powers outside the "bailiwick" are generally limited. Pursuant to the provisions of Maryland Code, Criminal Procedure: Title 2. Law Enforcement Procedures; Arrest Process, deputies may make arrests, conduct investigations, and otherwise enforce the laws of this State under certain circumstances without regard to jurisdictional boundaries within the State of Maryland, subject to certain exceptions. Deputy Sheriffs must not engage in motor vehicle enforcement outside the geographical limits of Montgomery County, MD. This authority is subject to deputies acting in accordance with regulations adopted by this office to carry out these activities.

III. Organizational Structure

A. The Sheriff is responsible for administering the office in accordance with applicable laws and regulations and ensuring that organizational objectives are being met. A number of employees, by authority of the Sheriff, may operate outside the normal chain of command, while discharging their duties.    (1) Chief Deputy – Colonel
   (2) Assistant Sheriff – Lieutenant Colonel, by seniority
   (3) Captain, by seniority

B. The Sheriff may designate a deputy to serve in an acting command capacity, i.e. Acting Night Commander. This "acting" responsibility may rotate among deputies in the Sheriff's Office.

C. The order of rank or chain of command for sworn employees is:
   (1) High Sheriff
   (2) Chief Deputy – Colonel
   (3) Assistant Sheriff - Lieutenant Colonel
   (4) Captain
   (5) Lieutenant
   (6) Sergeant

   (9) Deputy Sheriff I

D. Each organizational component, whether a division or section, is under the direct command of only one supervisor.
   (1) Employees assigned to a section, including employees assigned temporarily, are accountable to the supervisor of that section.
(2) In situations involving personnel from different sections, unless otherwise designated, the senior ranking deputy is in command.

E. During the temporary absence of a commanding supervisor, and when competent authority makes no other provision, the command automatically devolves to the senior ranking deputy. Seniority is established for command purposes first by rank and, secondly, by length of service in such rank. In cases of equal rank and length of service in rank, the deputy with the greatest length of service in the Sheriff's Office is in command.

F. All supervisors are accountable for the performance of employees under their immediate control.

G. All employees must adhere to the provisions of the chain of command in their official duties. Communication and correspondence must be made through the chain of command.

V. **Span of Control**

To achieve effective direction, coordination, and control, supervisors should not normally directly supervise more than fifteen (15) employees at any one time.

VI. **Discretion**

Employees must use sound discretion when faced with situations or circumstances that do not fall within specific written guidelines, policies, training and supervision.

VII. **Cancellation**

This directive cancels and replaces Administrative Directive 1.01, Effective Date: 09/06/19 and the attached Organizational Chart.
